About Us

When it comes to portable living and working spaces, choosing the right manufacturer, supplier, and service provider is crucial. This is where we come in. We, Tejashv Industries entered the industry in 2014 with a wide gamut of Mild Steel Portable House, Portable Office Container, FRP Portable Toilet, Portable Bunk House, PUF Panel Portable Cabin, and many more products. All our products are designed to provide a safe and comfortable living or working space wherever required. They are made using premium quality materials to ensure sturdy construction, durability, and superior insulation. To elevate the features of our products, we conduct extensive market research and knowledge, which helps us fulfill the requirements of customers belonging to different sectors in the country.

Apart from offering the above-mentioned products, we also offer Container Rental Service to our clients. To make the rental experience reliable for them, we focus on maintaining transparency in our dealings. We also serve our clients with flexible terms, competitive pricing, prompt delivery, and exceptional customer support. These key factors enable our company to gain the trust and commitment of our clients in the long run. Our company is spearheaded by our mentor Mr. Rajesh, and his unwavering support and guidance helps us achieve exponential growth in the field.
