About Us

While sitting on a chair be it in office, at home or cinema hall one should make sure the the seats are comfortable as otherwise it can cause severe backache problems, especially when sitting is stretched for a long time. We, Spacetouch Seating Products, that was established in the year 2000 deals in a comprehensive range of chairs and furniture. Our seating range has been designed and manufactured keeping in mind peoples comfort. Right from Office Chairs, Lounge Chair, Auditorium Chairs, Executive Chairs, Cinema Hall Chairs to Bar Stools our offered sitting range stands out in the market.

The unique designs and structure is what makes our range a big hit in the market. Further, its sitting and back portion is made of good cushioning materials that gives relief to the person sitting on it. We would also like to inform that our entire range of Office Furniture and Workstations are also manufactured with complete precision giving it an aesthetic and sturdy appearance that helps to enhance the office interiors. We constantly work towards finding new manufacturing methodologies so that the quality of the furniture can be enhanced. We also undertake Turnkey Projects for Interior Decoration and Carpentry and with complete efficiency we render the services to our customers.
