About Us

Bhagyashree Accessories Pvt. Ltd. is a leading Indian manufacturer, exporter and supplier of centrifugal oil cleaners for lube cleaning applications. The company is also engaged in the manufacturing of engine mounted fuel water separators used in effective separation of water droplets in fuels. It is a private limited company, registered under Indian Companies Act 1956. The company caters to the needs of reputed engine manufacturers in India. It is also an approved supplier of centrifugal oil cleaners to the Indian Defence Industry. It is proud of every precisely engineered model of oil cleaning and filtering devices, and excited about incorporation of latest technology and development of innovative designs. High level of engineering and consummate expertise involved, besides employing the sophisticated manufacturing technology for designing high-efficiency Centrifugal Oil Cleaner.

Bhagyashree Accessories Pvt. Ltd. was incorporated in 1994 and started manufacturing operations in 1995. It is located at Sinhgad Road in Pune, a well-known industrial town in Maharashtra. The company owns a production shop measuring 2000 sq. feet area. Gauge store and gauge room are separate, measuring 450 sq. ft. We at Bhagyashree Accessories Pvt. Ltd. receive supreme accolade in Centrifugal Oil Cleaner manufacturing business for engineering top-of-the-line appliances in conformity with international quality, performance and design standards. Our onerous endeavor is centered to manufacture technologically advanced Centrifugal Oil Cleaner in sturdy designs, therefore ensuring safe and optimum functions without substantial maintenance.
