LAL'S Exporters (India) Pvt. Ltd., is an ISO 9001:2015 certified company producing an array of Asphalt & Concrete Construction Equipment like Asphalt Plants (Batch and Continuous Drum type), Wet Mix Macadam Plant (Soil Stabilization Plant) Paver Finishers (Sensor & Mechanical Dual Application), Concrete Batching Plants (Stationary, Mobile & Compact), Bitumen Sprayers, Road Sweeper, Road Marking Machine, Stone Crushers, Brick / Block Making Machines, Concrete Mixers etc. in wide range of models to meet the customers requirement. Managed by a team of professionals having an industry experience of over 20 years across various domains of construction industry. Our products are seeded all across the globe in less than a decade with repeated orders.

In order to meet the needs of its customers, LAL'S Exporters (India) Pvt. Ltd., an ISO 9001:2015 certified company, manufactures a wide range of asphalt and concrete construction equipment, including bitumen sprayers, road sweepers, road marking machines, stone crushers, brick and block making machines, concrete mixers, and wet mix macadam plants (soil stabilization plants). overseen by a group of experts with more than 20 years of combined expertise in the building sector in a variety of fields. In less than ten years, our products are distributed worldwide with recurring orders.

To improve design and product excellence, LAL's committed team of engineers works nonstop with the newest software and cutting-edge technology. We maintain quality control procedures that meet IS, DIN, and European Standards, raising the bar for customer happiness and product experience. The ISO 9001 certification from Euro UK Accreditation Licensing Services attests to this dedication.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	asphalt batch mix plant,static road roller,asphalt paver finisher,asphalt drum mix plant
No of Staff	35
Year of Establishment	2016
OEM Service Provided	No
ProductRange	asphalt batch mix plant,static road roller,asphalt paver finisher,asphalt drum mix plant

Our Products

**Asphalt Paver Finisher
(Mechanical And)**

**Compact Concrete
Batching Plant**

**Mobile Concrete
Batching Plant**

Asphalt Drum Mix Plant

Bitumen Decanter

**Truck Mounted
Bitumen Sprayer**

**Stationary Concrete
Batching Plant**

Stone Crusher

**Wet Mix Macadam
Plant**

**Trolley Mounted
Bitumen Sprayer**

Road Sweeper Machine

**Asphalt Batch Mix
Plant**

Road Marking Machine

ADDRESS

**H.No.: 1, Road No.: 7, North Jal
Prakash Nagar, Patna, Bihar,
India (800025).**
