## About Us

Established in 2001, M/S Indraprastha Steelz has an illustrious legacy of producing high-quality stainless steel products for both residential and commercial use. In the last two decades, we set many records as a manufacturer and supplier of SS Tea Strainer, Ash Dustbin, Steel Egg Mixer, Aata Strainer, and many other products. These are recognised in the market for their unique design, corrosion resistance, and long-lasting nature. Our products go through rigorous tests and our dedication to quality is second to none. We work closely with our clients to ensure that their needs are met, and their queries are solved on time.

Our cohesive team of skilled professionals combines innovation, creativity, and superior craftsmanship to produce the stainless steel products that are not only aesthetically pleasing but also highly functional. Our goods find their utilization in several kitchens of various homes, hotels, food corners and restaurants. We are also supported by an effective distribution network that offers us high support in delivering orders of customers to various locations across the country. As our premises shared good connectivity with major roads, we are able to provide on-time deliveries of orders to our customers.
