

BUSINESS PRESENTATION

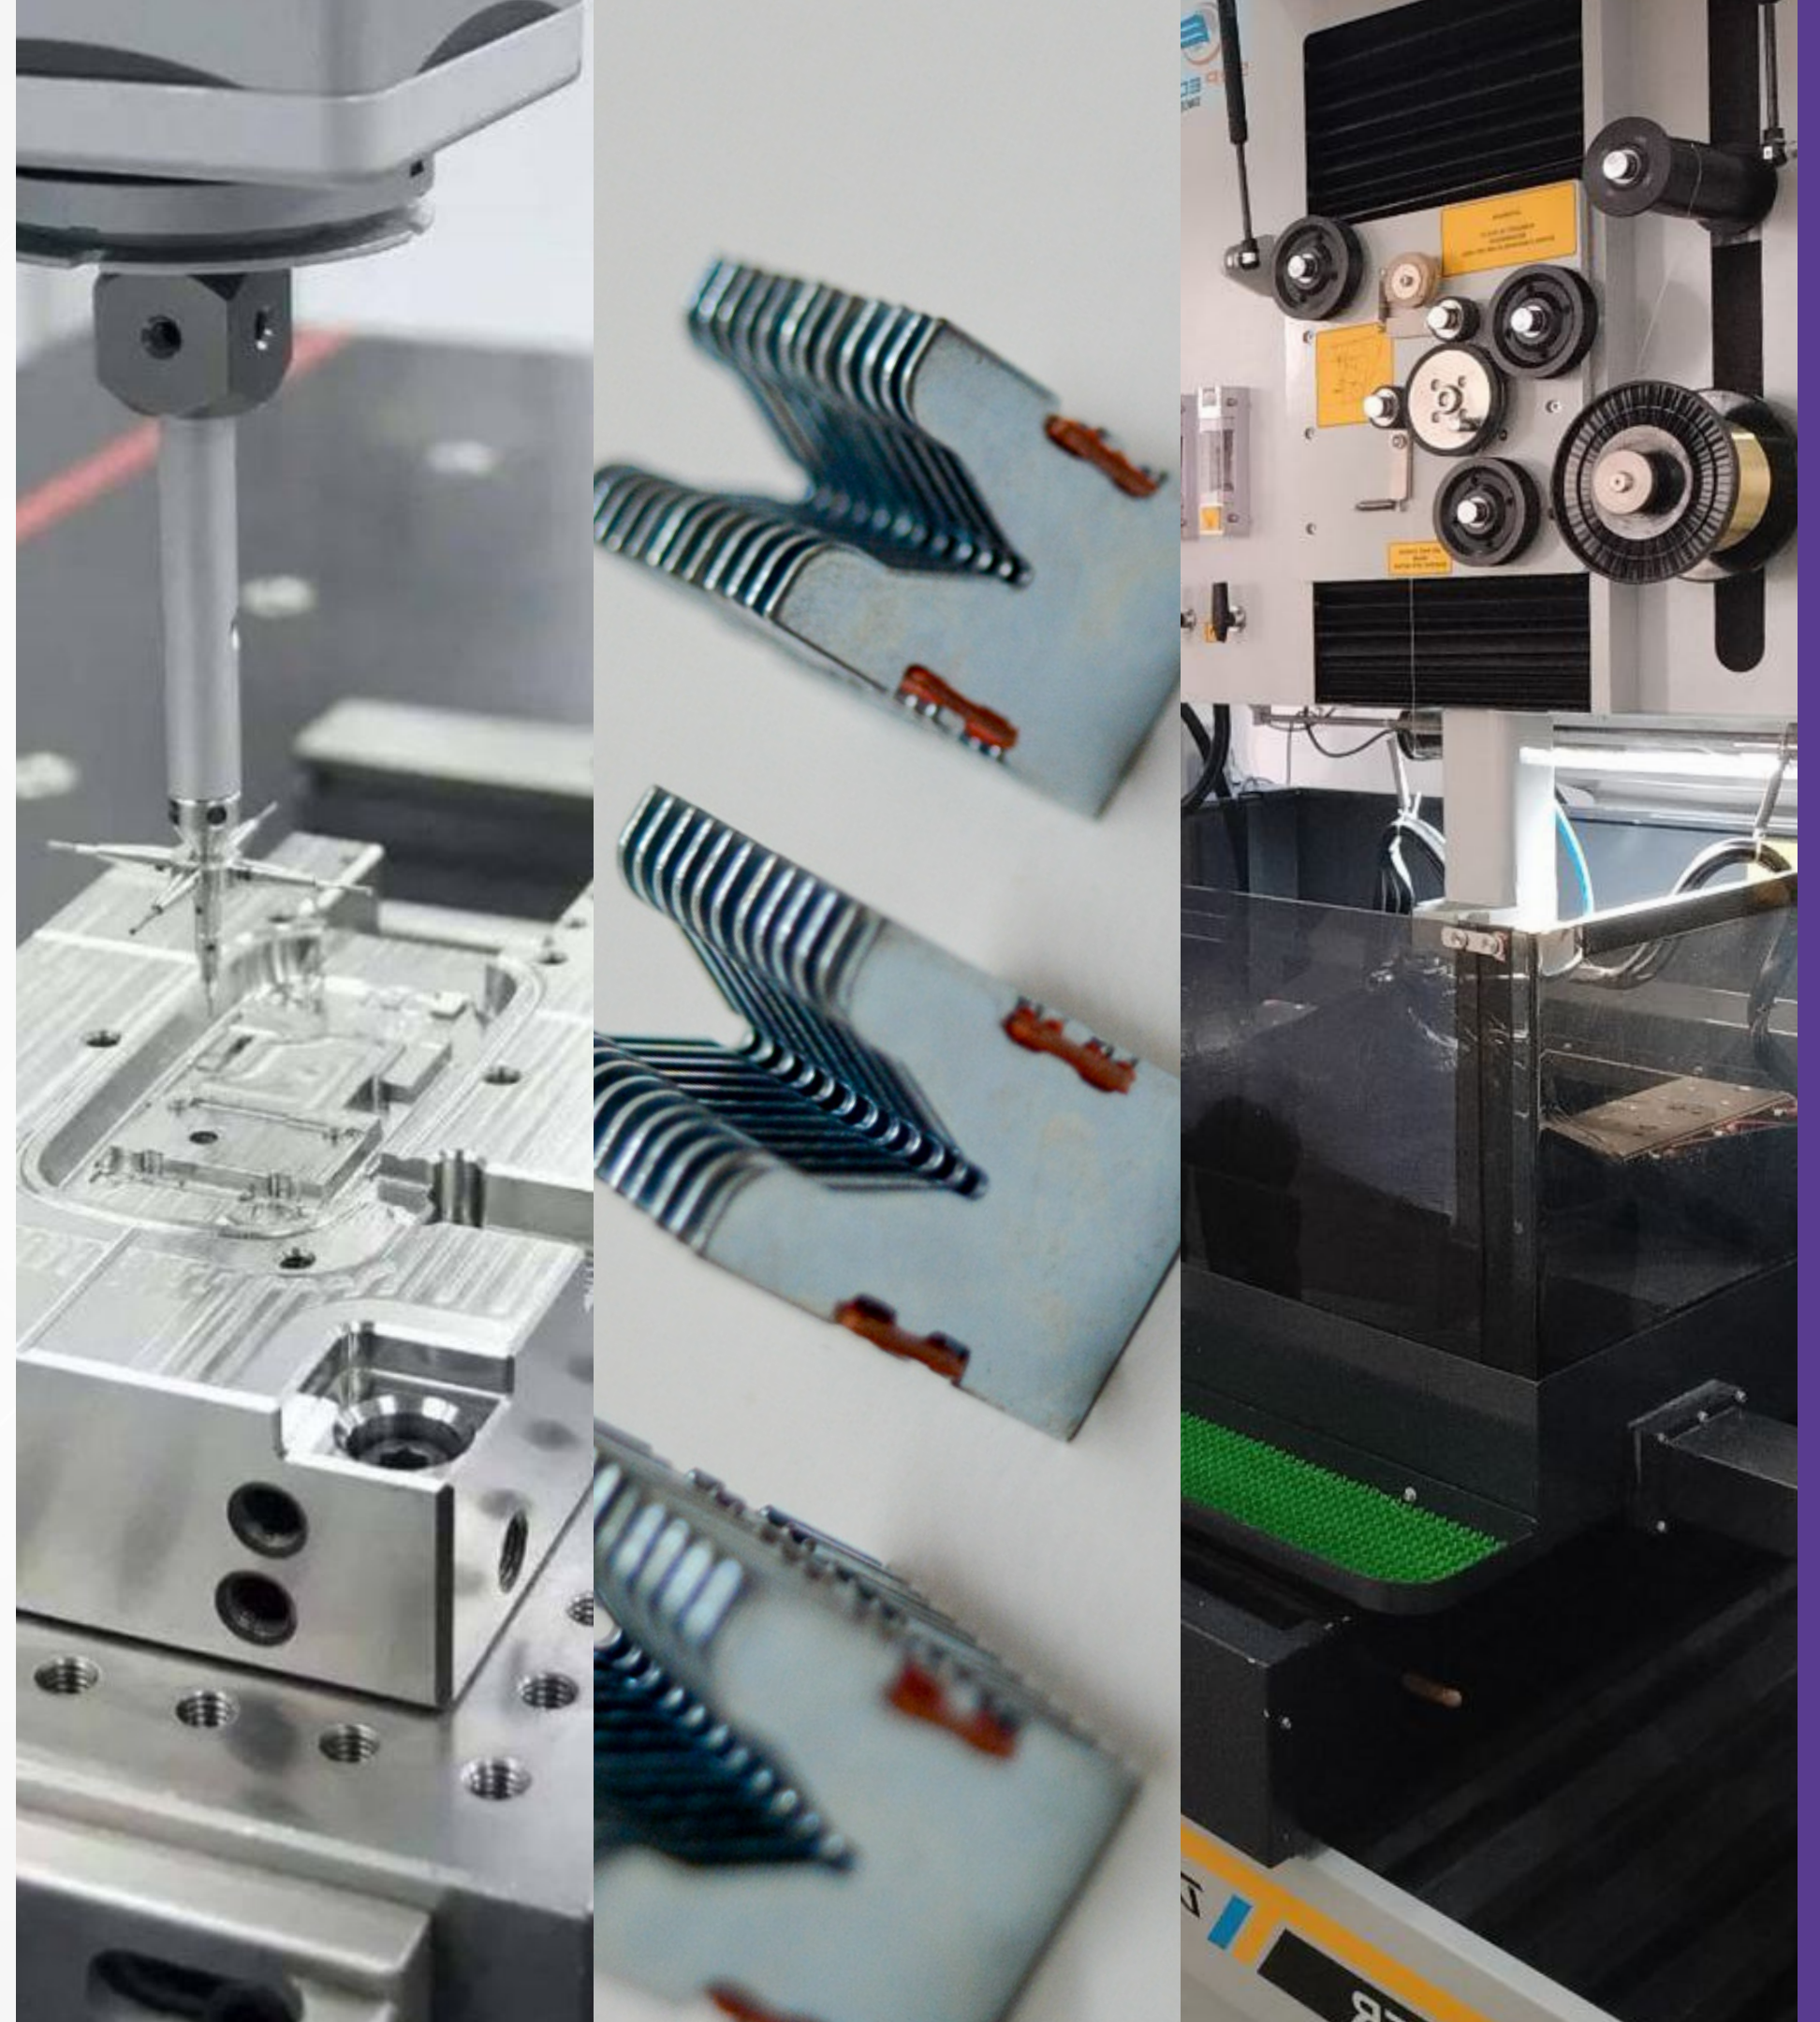

SGE Controls & Switchgear PVT. LTD.

OUR COMPANY

SGE Controls & Switchgear Pvt Ltd has emerged as a stalwart in the field of electrical component manufacturing.

From its inception, the company has been dedicated to producing High-Quality MCB components and sheet Metal products for various electrical industries across India and abroad.

What sets the company apart is its unwavering commitment to ensuring the Utmost Quality and Corrosion Resistance in every product it manufactures.

MISSION, VISION AND VALUES

Our mission is to excel in precision engineering, delivering high-quality sheet metal and plastic components that **exceed our clients' expectations**. Committed to innovation, sustainability, and client satisfaction, we strive to be a reliable partner, contributing to the success of our customers through cutting-edge manufacturing solutions and unwavering dedication to **quality craftsmanship**.

Our Vision is to become the preferred global supplier of high-quality products, make "SGE" an International Brand.

We envision a workplace where every employee is **valued, empowered, and inspired** to reach their full potential. Our commitment to fostering a culture of **respect, inclusivity, and personal growth** is at the core of our success.

Mr. Vikas Tripathi
(Founder & Managing Director)

WHY WE ARE **THE BEST ?**

- **Sustainability**
- **Client-Centric Approach**
- **Continuous Innovation**
- **Proven Track Record**
- **Competitive Pricing**
- **Comprehensive Solutions**
- **Reliability**

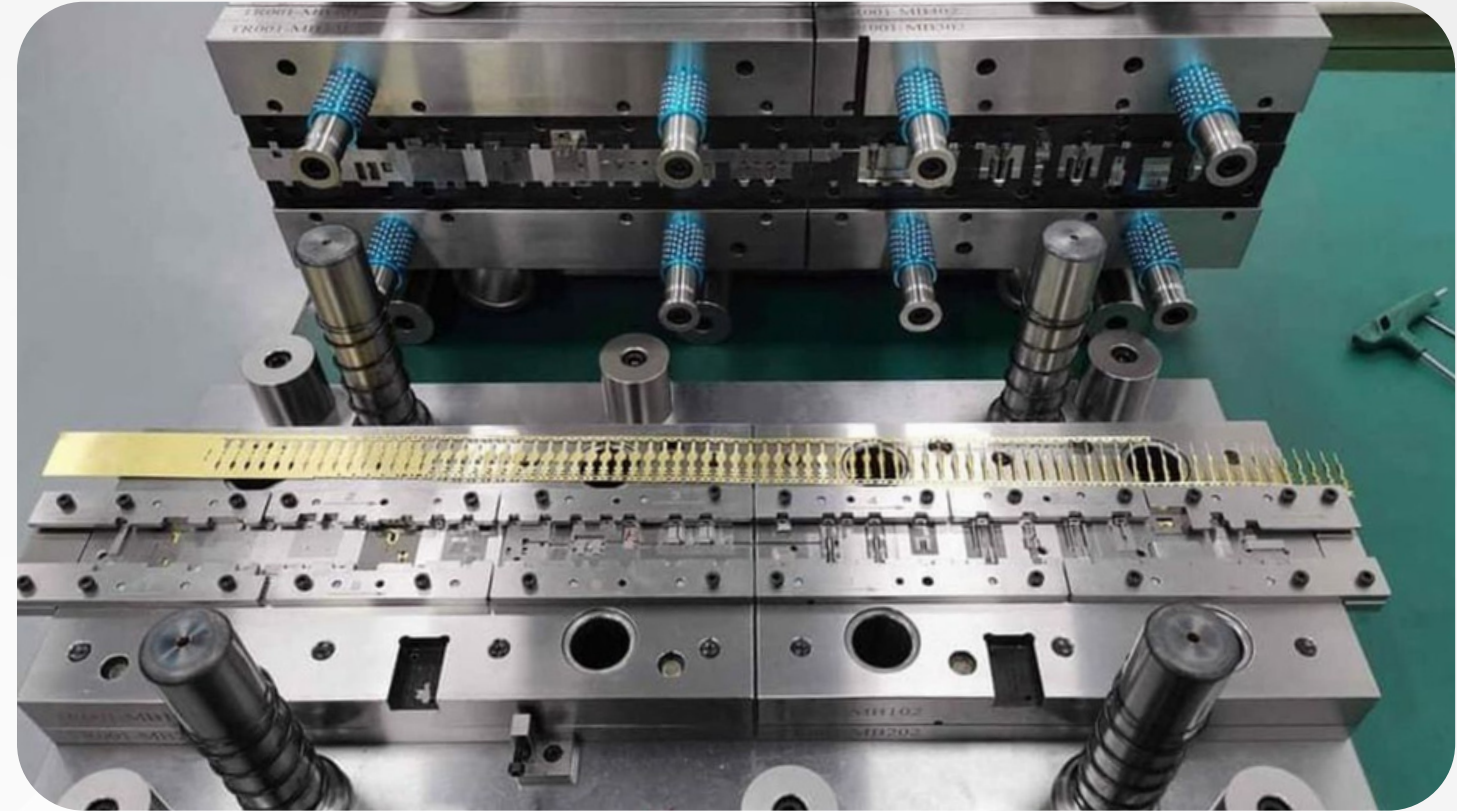

WHY WE ARE **THE BEST ?**

- **State-Of-the-Art Machinery**
- **In-House Progressive Tooling**
- **Custom Solutions**
- **High-Quality Standards**
- **Experienced Team**
- **Efficiency and Cost-Effectiveness**
- **Timely Deliveries**

CUSTOM SOLUTIONS

We specialize in creating tailored sheet metal components to meet our clients' specific needs, ensuring that each project is unique and optimized for its intended purpose.

UTMOST RELIABILITY

Clients can rely on us for consistency, reliability, and a commitment to excellence in every project we undertake.

HIGHLY EXPERIENCED TEAM

Our team of experienced professionals brings years of expertise to every project. We have the knowledge and skills to handle complex sheet metal and plastic component requirements.

EFFICIENCY AND COST-EFFECTIVENESS

Our top-notch machinery and in-house tooling capabilities lead to enhanced production efficiency, resulting in cost-effective solutions for our clients without ever compromising on quality.

EXTREMELY VERSATILE NATURE

We work with a diverse range of industries and applications. Our versatility means we can accommodate various projects, from small-scale to large-scale requirements.

TIMELY DELIVERIES

We understand the importance of meeting deadlines. Our efficient processes and project management ensure that we consistently deliver on time.

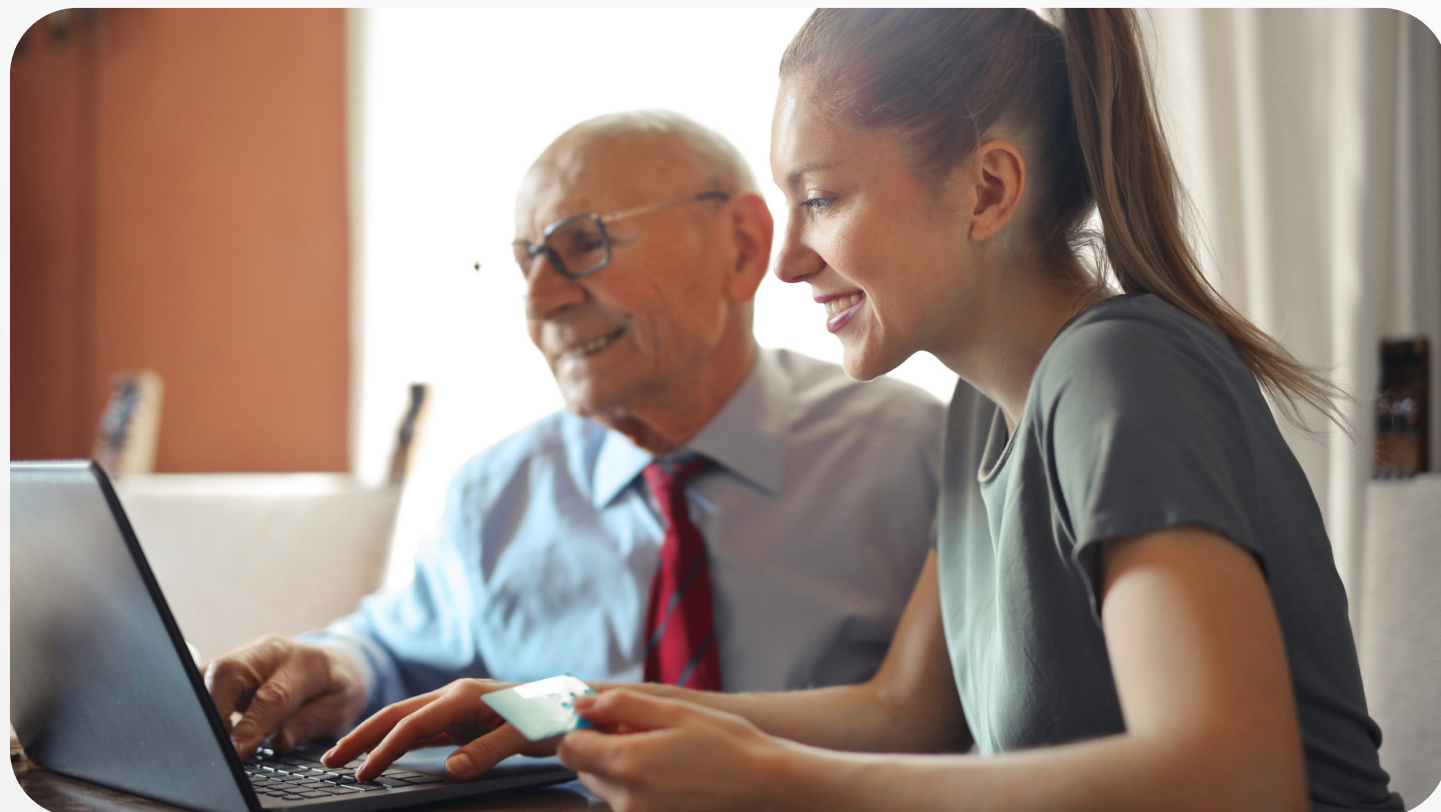

GLOBAL SUSTAINABILITY

We are committed to environmentally responsible manufacturing practices. Our company places a strong emphasis on sustainability and eco-friendly materials.

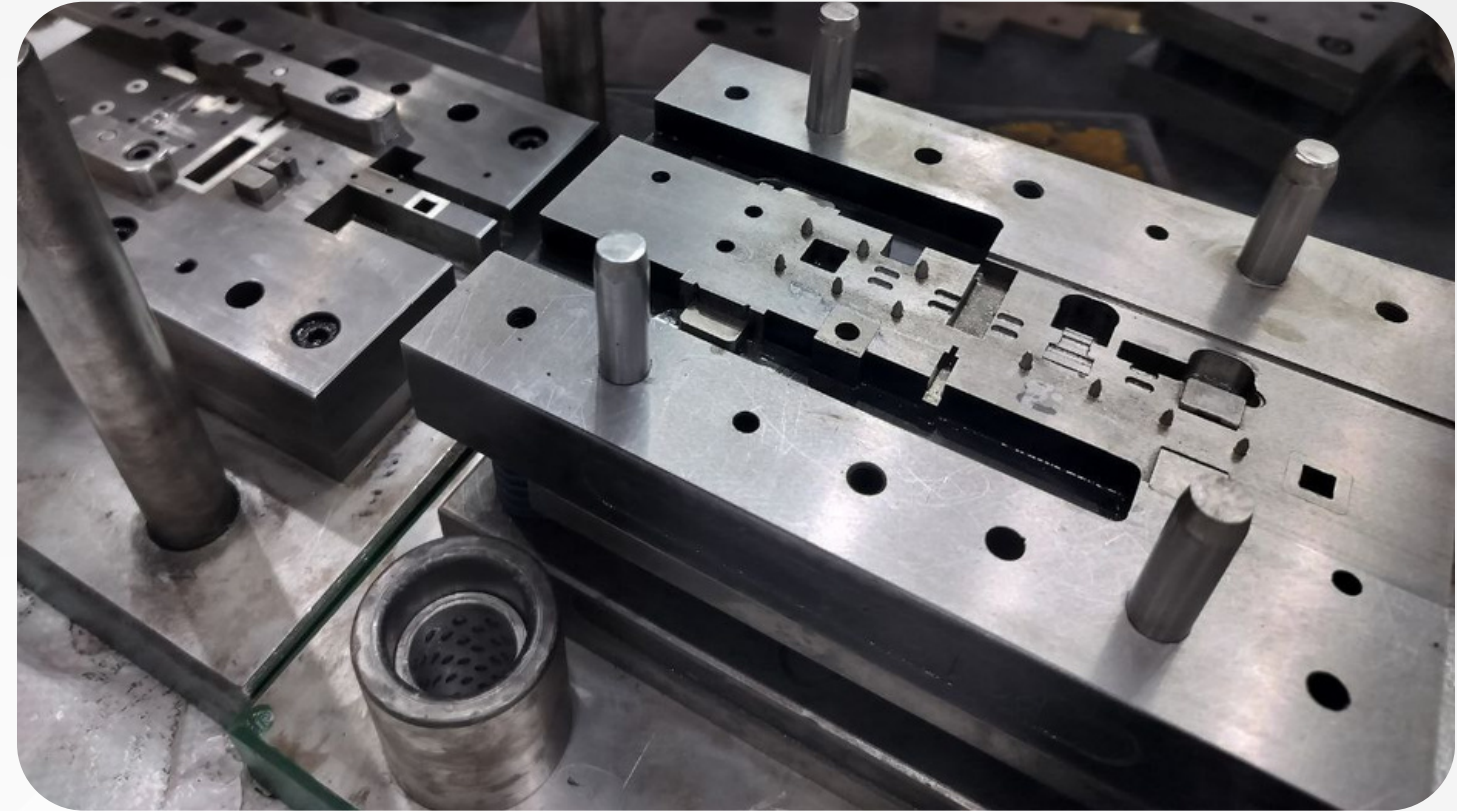

CLIENT-CENTRIC APPROACH

Our clients are our priority. We collaborate closely with them to understand their requirements, provide transparent communication, and offer exceptional customer service.

CONTINUOUS INNOVATION

We stay at the forefront of industry trends and innovations, ensuring that our clients benefit from the latest advancements in the industry.

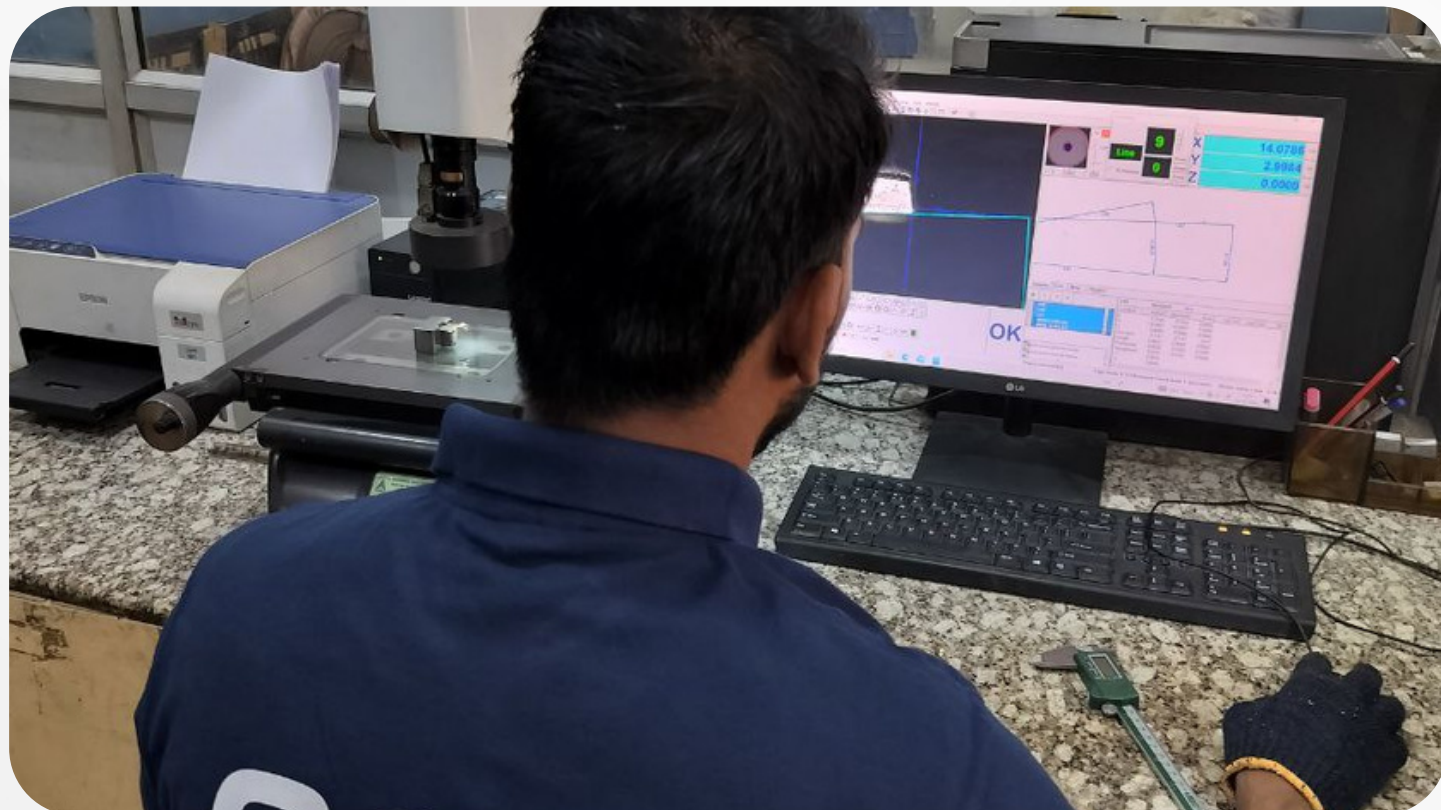

PROVEN TRACK RECORD

With a strong history of successful projects and satisfied clients, our company has built a solid reputation for itself in the domain over the course that span more than two decades.

COMPETITIVE PRICING

While offering top-notch quality and services, we maintain competitive pricing to provide the best value to our clients, fostering healthy business relationships.

COMPREHENSIVE SOLUTIONS

From design and prototyping to production and assembly, we offer end-to-end solutions, streamlining the manufacturing process for our clients.

ADVANCED MANUFACTURING SETUP

We pride ourselves on having the latest and most advanced sheet metal manufacturing machinery, ensuring precision, efficiency, and quality in every project we deliver.

ADVANCED MANUFACTURING SETUP

PNEUMATIC POWER PRESS

TOP NOTCH QUALITY STANDARDS

Our commitment to quality is unwavering. We maintain stringent quality control processes, from raw materials to the final product, to deliver flawless sheet metal and plastic components.

CERTIFICATIONS

Certificate of Compliance

RoHS Directive (2011/65/EU) of the European Parliament and of the Council on the restriction of use of certain Hazardous Substances in Electrical and Electronic Equipments

Certificate No. QVA-SLHV-23-0925238

Name : SGE CONTROLS AND SWITCHGEAR PVT. LTD.
 Address : PLOT NO. F-10, UPSIDC INDUSTRIAL AREA, M.G. ROAD, HAPUR, UTTAR PRADESH – 201015, INDIA.
 Product : MANUFACTURING AND SUPPLY OF MCB'S AND SWITCHGEAR'S COMPONENTS.

This is to state that the above mentioned products is in compliance with RoHS Directive (20/95/EC) of the European Parliament and Commission Decision 2005/618/EC on the restriction of use of certain Hazardous Substances [Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr6+), Polybrominated biphenyls (PBBs) and Polybrominated Diphenyl ethers (PBDEs)] in Electrical and Electronic Equipments.

Statement:
 This certificate declares that the product type/model described above complies with the mentioned above European Standard(s).

Remarks:
 This certificate of complies is based on the evaluation of a sample of the above mentioned products. It does not imply and assessment of the mass-production of the product. This certificate holder may use this certificate in connection with the test certification body should be informed (revision of technical file) for any modification or alterations made to the aforementioned product type(s), including design and manufacture and/or extension to the existing scope of application.
 The certificate is valid for three years if the company applies the technical construction file which has been stored QVA office. This certificate includes declaration of manufacturer.
 Certificate remains property of QVA to whom it must be returned upon request. The certificate validity is conditioned by positive results or surveillance audits.

Validity of this certificate can be verified at www.gaafs.us

Date of Certification	09 TH SEP 2023
1st Surveillance Due	08 TH SEP 2024
2nd Surveillance Due	08 TH SEP 2025
Certificate Expiry (Subject to the company maintaining its system To the required standard)	08 TH SEP 2026

Registered

Authorized Signatory

QVA Certification
 CAB Address : Maryland Avenue, SW Washington, D.C. 20202
 Validity of this certificate is subject to annual surveillance audits to be done successfully
 This certificate is the property of QVA Certification and shall be returned immediately on request
 QVA Certification is an independent Systems Products and Personal assessment Body, QVA Certification is a accredited by GAAFS.US

CERTIFICATE

This Certificate has been awarded to

SGE Controls and Switchgear Pvt. Ltd.

PLOT NO. F-10, UPSIDC INDUSTRIAL AREA, M.G. Road, HAPUR, UTTAR PRADESH - 201015

In appreciation of the organization's
 Quality Management System which complies with
ISO 9001:2015

The Scope of organization covered by this certificate is defined below
SCOPE

Manufacturing and Supply of MCB's and Switchgear's Components.

Certificate No. :	AS MPL/202308/929884	Initial Registration Date :	2019/12/18
Date of Issue :	2023/08/10	Date of Expiry :	2025/12/23
1st Surv. on or Before :	2023/12/24	2nd Surv. on or Before :	2024/12/24

Director

This Certificate remains valid subject to satisfactory surveillance audits. This Certificate is the property of Aaranaya Management Services Pvt. Ltd. and shall be returned immediately when demanded.
