## About Us

SGE Controls & Switchgears Pvt. Ltd. is one of the leading manufacturers and exporters of parts for small circuit breakers. We have collaborated with a wide range of electrical businesses. Since the start of our company in 2000, we have prioritised quality above everything else. We put a lot of focus on customer satisfaction and product quality. Customers prefer us to make purchase of MCB Knob, MCB Knob Sleeves, MCB Latch Assembly, MCB Magnetic Yoke and lot more products. These assortments are well-known for their quality and ability to withstand corrosion. Owing to strong supply chain management, we are capable of delivering goods to our national and international customers.

We are happy to state that customers are also impressed with our working approach and are even promoting us by word of mouth. Our company has always kept its door open for feedback and suggestions, as we believe this is the easiest way to improve and strengthen our market position.

Thanks to our significant industry knowledge, we are able to offer our customers a high-quality assortment of electrical items. Because of our sensible, moral, and transparent business practises, our clients have learned to rely on and believe in us. It is on the basis of customization, systematic process, effective methodology, credible and swift services, cost effectiveness, and timely execution, we have been able to satisfy customers and establish a cordial bond with them.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	plastic moulding dies,plastic moulded components,progressive tool,progressive die,progressive press tools,progressive stamping tools,Mcb sub-assemblies,injection molded plastic parts,mcb parts,mcb circuit breaker
<b>No of Staff</b>	25
<b>Year of Establishment</b>	1998
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	plastic moulding dies,plastic moulded components,progressive tool,progressive die,progressive press tools,progressive stamping tools,Mcb sub-assemblies,injection molded plastic parts,mcb parts,mcb circuit breaker
