## About Us

Today's market are full of competition, it is hard to survive in it and have loyalty of customers. In spite of this cutthroat competition, Jain Traders has been standing tall from decades, no matter how much variety or offers other organizations makes available. The company is a team of dexterous personnel, who share in same passion of launching better Tents, Tarpaulins and Umbrellas for the customers and securing place of company in customers' hearts. A well famous manufacturer and exporter in nature, our company makes available its range in wide variety which includes Army Tent, Camping Tent, Luxury Tent, Swiss Tent, Tipis, Thatched Umbrellas and Folding Umbrellas, to name a few. Each piece which gets out of our premise is made up of finest material, quality examined and hence guarantees supreme quality. Light in weight, splendid in finishing, smooth in texture and captivating in looks are some of the qualities of our creations that bring to us heavy orders from both Indian as well as Foreign markets. Further, we love experimenting, be it with the designs of offerings or techniques of making them, this zeal to serve better to customers make us have edge over all the companies of our business line.

Experience comes from years of hard work, ability to tackle adverse situations and the way of conquering difficulties. The company holds almost 22 years of experience in handling tough and the most complex market conditions. Till the date of our presence in market, the time has made us learn several business intricacies. From downfalls to setting milestones, we have been through several phases and now are recognized as the best Tents and Umbrellas Exporter and Manufacturer. In our two decades of presence in the business, we have established our business networks in foreign markets. We respect our customers and strive to meet requirements of as maximum people as possible, around 30% of our stock is fixed for exporting in foreign nations.

Having our corporate set up in Jodhpur of Rajasthan, India, we, Jain Traders have made ourselves globally famous for our Tents and Umbrellas. The commendable range we deliver to our every customer is a result of efforts that are paid by our experts in making, quality checking and packing it. Our people are our strength, leveraging on their excellence, working abilities and confidence, we are growing in our business with every passing day. Further, we respect dedication of our people and have made arrangements for their comfort. Our premise include modern furniture, ventilation & sanitation facilities and several other things that all together create a good work environment.
