About Us

The brilliant Late Shri Dharam Pal Maini, a renowned figure in the modern refrigeration industry, founded Super Refrigeration (India) Pvt. Ltd. In 1968, a single product unit that produced valves under the SUPER brand started out as a conglomerate that now produces a variety of valves and ammonia refrigeration equipment. Today, SUPER 1968 is a one-stop shop for all ammonia refrigeration needs. All companies in the manufacturing group have received the ISO-9001:2000 certificate of quality accreditation. In fact, our company helped to pioneer and significantly shape the Indian industrial refrigeration industry. The fundamental characteristics that give SUPER 1968 its distinctive identity are dynamism, adaptability, creativity, and customer orientation. In addition, the group has surpassed the competition thanks to its unrelenting pursuit of professional management, excellence, commitment to time-tested quality standards and a highly skilled workforce. Our company, however, is not content to rest on its laurels. To continue bringing cutting-edge products that alter the dynamics of the refrigeration industry, it persists with futuristic innovations.

With years of relentless pursuit of excellence in the field of refrigeration and chilling plants and solutions, we, Super Refrigeration (India) Pvt Ltd, have served the needs of the global customers with aplomb. We are known as a trusted manufacturer, exporter, distributor, supplier and trader of finely crafted range of Refrigeration Equipment including Industrial Refrigeration Compressors, Ammonia Refrigeration Compressors Compressor Spares, Refrigeration Compressor Spares, Ammonia Air Cooling Unit, etc. Our company has relentlessly supplied the best quality products in consonance with the ISO 9001:2008 norms. We have a modern production unit equipped with latest technology machines and tools for manufacturing flawless range of products known for long service life, performance reliability, economical prices and low maintenance requirements. We anticipate inquiries from our customers and ensure them to meet their exact demands in the best possible manner.

All Ammonia Refrigeration
Solutions under One Roof

SUPER REFRIGERATION (INDIA) PVT. LTD.

AN ISO 9001-2000

Key Facts

No of Staff	50
Year of Establishment	2001
OEM Service Provided	No

Our Products

ABV- AMMONIA BALL VALVES Size-15 MM TO

Y Strainer Valves

Three Way Dual Relief Valve Manifold

Safety Relief Valves

SOSV-SERVO OPERATED SOLENOID

Refrigeration Compressors

Tee Valve

Float Switch

Check Valves

Pressure Gauge Valves

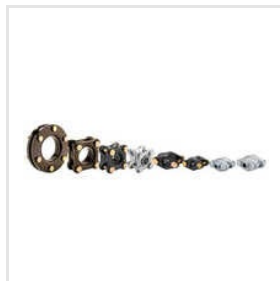

Electronic Liquid Level Controller

Ammonia Solenoid Valves

Angle Gauge Valves

Weldable Flanges

Shut Off Valves

Hand Expansion Needle Regulating
