About Us

We, Shreeman Industries, are a proprietorship based company widely acclaimed as a manufacturer and supplier of an extensive gamut of machinery. Fully Automatic Dona Paper Plate Making Machine, Automatic Double Die Dona Making Machine, Hydraulic Slipper Making Machine, Automatic Scrubber Packing Machine and Band Sealing Machine, are to name a few of our top sellers. We are a business family of skilled, qualified and proficient people that focuses on teamwork to carefully perform all the business activities, thereby, attaining all the business goals prior to deadline. To surpass the expectations of our customers, we not only provide them these machines as per their specifications but ensure their unmatched quality too.

Our Team

Over the years, we have expanded our product portfolio across different Indian locations to reach a wider audience. From manual to hydraulic and semi-automatic to automatic, customers now have a lot of options to choose from. The credit for these and other capabilities we are known for goes to our strong team of 18 zealous and diligent members.

Technology And Services

State-of-the-art machinery is the reason that we are able to offer our customers customization in designing specifications of our products. Band Sealing Machine and other machines that we offer can be easily designed, fabricated and assembled as per the specifications provided by our clients. Our R&D team is constantly involved in coming up with innovative machines without compromising on quality. To ensure that the highest quality standards are achieved, we test our machines on several quality parameters by the technical team.
