Certificate

GLINT is one of india's Leading Exporter, Manufacturer, Supplier and Trader of C.P. BATH FITTINGS since 1960. We have set up new benchmarks for superior quality and excellence. GLINT Introduce that GLINT Designer faucets are elegantly designed and are superior in quality. A comprehensive range of GLINT faucets can add glamour and sparkle to any bathroom. Just have a splash, pamper yourself or indulge in your secret zone of refreshment and rejuvenation.

Warranted

All products are warranted for 10 years against any manufacturing defect. Modern day bathroom fittings & faucets enhance your lifestyle... taking good care to maintain them will ensure trouble free service and you will continue to enjoy the sparkle of a new product for years to come.

Recommendations

Do not use harsh cleansing agents containing abrasives & acids. Instead use a soft sponge or wet cloth with soapy water/ diluted vinegar to protect the chrome finish.

Clean the aerator provided in the products at regular intervals for a perfect flow of water from the fitting. To clean the aerator, remove it, knock out the silver insert & rinse thoroughly with water.

Clean the overhead tank, thoroughly before the supply starts it is suggested that the overhead tank must be cleaned regularly to avoid deposition of foreign particles. Always install Bathroom fittings at last after finishing of all Bathroom ex-paints tiles.

QUALITY | INNOVATION | DESIGN & SERVICE

Exceptional quality is the guiding principle that Glint has been founded upon, across time.

Our bold designs and our mission to enhance gracious living continues to build from this central promise. The products reflect this heritage of excellence. Leading-edge design, advanced technologies and renowned craftsmanship characterize our innovative faucets.

TECHNOLOGY AND R&D

Made from extruded brass rods, all our product components are processed on precision machines which makes it standardized and easy to replace. The hardness and work ability make brass one of the most versatile machining materials available, making it possible to achieve an impeccable mirror-finish with sensual and exotic contours that add elegance and a tinge of luxury in every fragment of our design. The muted golden-yellow color of brass is refined to its finest by the use of imported brushing tools at our dedicated facility and ensures a long lasting life.

CARE

Customer service is the provision of service to customers before, during and after a purchase.

Glint bathing solutions are engineered to function experience for many years ahead-outperforming the leading competitor brands for longevity and reliability. Nevertheless, should a problem arise, our customer care solution offers complete cover for almost every eventuality. This ongoing support is designed to give you full peace of mind as you enjoy your Glint bathing solution - whatever happens, you will have a phone number serving as your point of contact for any issues, to be called upon whenever you need to. Once you contact us, we will assist you in arranging a Glint approved plumber to be sent out to the premises and will ensure any repairs are made quickly and with a minimum of disruption to your life.
