About Us

Sky Birds International is a prominent business entity of the market; we work to deliver a range of products such as Optical Fiber Accessories, OTDR Machine, Test Equipment, Optical Network Unit and CCTV EDFA. In addition to these, we are trusted for supplying quality Media Converter, Optical Fiber Products, Coaxial Cable, Home Amplifier, Video Optical Converter and many other products. Responsibilities that come to us along with our nature of business, manufacturer, trader and wholesaler are well fulfilled by us and we emerge as a reliable destination for customers. We serve the quality which customers expect and for the same, strict emphasis is given by us towards ensuring superior quality of the range. A number of tests are conducted by us on self-manufactured as well as procured products to be sure about superior quality of the range.

Having our well-settled business unit in the capital of India viz New Delhi, we, Sky Birds International introduce ourselves as a customer oriented company. We supply Optical Network Unit, CCTV EDFA, Coaxial Cable, Home Amplifier, Optical Fiber Accessories, OTDR Machine and many other products. With high care and perfection, each of our items which are in portfolio is developed by our experts. All the products are approved for quality and they are supplied in the market after complete assurance about flawlessness. We time to time modify our product-line as well as manufacturing techniques to serve customers in a better manner. Further, our company aims to touch tremendous heights of success and for the same, we work hard every day and attain complete satisfaction of customers.
