

Golden Sella Basmati Rice

Product Description

Experience the spectacular value of Golden Sella Basmati Rice, renowned for its flawless, fluffy texture and non-sticky grains after cooking. Boasting a ravishing golden yellow hue and a strong, natural aroma, this rice elevates every dish—from biryanis to daily meals. Available in 5kg, 10kg, 25kg, and 50kg packs, it caters to both organic and conventional needs.

Directions for Use and Versatility

Golden Sella Basmati Rice is effortless to prepare—rinse thoroughly and cook with an appropriate water ratio to achieve fluffy, non-sticky grains. This variety is ideal for biryanis, fried rice, and everyday meals, delivering consistent texture and unforgettable aroma.

Sample Policy, Packaging, and Certifications

We offer flexible sample policies and premium packaging options in 5kg, 10kg, 25kg, and 50kg sizes for domestic and international markets. Each batch undergoes rigorous sortex cleaning and is certified for premium quality standards.

FAQ's

Question	Answer
How should Golden Sella Basmati Rice be cooked?	Rinse thoroughly and cook with the recommended water ratio on medium heat.
Why is it ideal for biryanis and fried rice?	Its long grains, rich aroma, and non-sticky texture make it perfect for flavorful dishes.
Can I request a sample before ordering?	Yes, samples can be requested before shipment for quality evaluation.
What is the benefit of sortex cleaning?	Sortex cleaning removes impurities and ensures premium quality rice.
