## About Us

We would like to introduce ourselves as your partner in healthcare industry. The ever increasing demand from the health industry helps us serve with perfection and professionalism, which works as the driving force behind our success. Incorporated in Year 2009, we are an ISO 9001:2015 certified company and Trade Mark registered® with the brand name of SUNRISE INDIA. Company gained global recognition as a proficient manufacturer, exporter and supplier of range of wide variety of disposable products. The requirement of disposable products differs from industry to industry. The products such as H.I.V. Safety Kits, Disposable O.T. Gowns, Disposable Cap & Face Mask, Disposable Shoe Cover/Leggings, Gloves, Baby Drapes, Surgeons Kit, Delivery Kit and all kind of Drapes etc. are extensively used in hospital industry. Whereas the use of disposable items are limited to Disposable Cap, Gowns, Face Mask, Gloves and Shoe Cover in the Pharmaceutical, Chemical and other industries. We are supported by a team of experts and also have well-built infrastructural set-up, which assist us in designing our range of products in bulk quantities. The use of sophisticated testing methods ensures that all our products meet international ISO quality standards. We are capable to offer customized products as per the demands of our esteemed client and cater to the needs of Medical, Pharmaceutical and other sectors. Further, with our ethical business practices and client centric approach has helped us win many clienteles based in India and Abroad. The state-of-the-art manufacturing units are also backed by various certification and clearance from major government bodies. Some of these certifications also help us gain an added advantage to capture Indian and the World market. ISO 9001-2015 certified company. We would be privileged to include you into our client list. For any further inquiry or assistance, kindly feel free to contact and visit our websites : [www.atssunriseindia.com](http://www.atssunriseindia.com) / [www.thesunriseindia.com](http://www.thesunriseindia.com)

The raw materials used in the manufacturing of our products are of high grade quality thus provides superior quality. We continuously strive to maintain international standards of quality. The never dying quest to serve the health industry with perfection and professionalism serves as the driving force behind the success of our company. All our products are widely appreciated by various clients. Disposables are easy to use, simple yet effective and of superior quality.
