About Us

It is the vision of our **Director, Mr. Noorudheen T**, to do the best for our customers that takes **Woodmall** closer to their hearts. We, as a **manufacturer**, aim to empower every individual who associates with us by introducing him or her to the technologically advanced tools and knowledge in the domain. This enables us to enhance our production of **Plain MDF Board, Laminated Boards, Plywood Boards, MICA Sheet, Natural Veneer and PVC Foam Board**. Besides our manufacturing skills, we are considered a reliable trader and supplier, as well. By showcasing design ideas of reputed businesses, we make a wide variety of products available to our customers.

Woodmall is a Kochi, Kerala, India established business entity whose emergence dates back to the year 1950s. Since our commencement, we have been continuously growing without looking back. This being a reason, we are always loved by our customers. Plywood Board, MICA Sheet, Plain MDF Boards, Natural Veneer and more of unmatched quality are offered by us at highly competitive prices. To achieve a competitive edge in the market, we keep improving ourselves and sufficing the requirements of our customers for aforesaid and more products within the stipulated time period. Moreover, it is our commitment to ethical business practices that makes us the best.
