About Us

Bagherb Enterprise is a trusted Manufacturer and Supplier of premium-quality herbal powders and natural extracts based in Dhenkanal, Odisha, India. Established in 2025, our company is committed to delivering authentic, carefully processed herbal products that support wellness, nutrition, and traditional applications. We focus on purity, consistency, and responsible sourcing to ensure that every product reflects natural goodness. With a strong foundation in quality management and ethical practices, we aim to serve clients who value reliability and uncompromised standards.

Our product portfolio includes Amchur Powder, Haritaki Myrobalan Powder, Bibhitaki Terminalia Bellirica Powder, Jamun Seed Powder and Natural Essential Oil. Each product is prepared using selected raw materials that are processed under controlled conditions to maintain freshness and nutritional integrity. These herbal ingredients are widely used in food preparation, wellness formulations, and traditional health practices. Our systematic processing methods help preserve natural aroma, flavor, and beneficial properties without altering their original characteristics.
