## About Us

Our prestigious enterprise, Lingappa And Co. has been working in the sector since 2013. We have garnered a huge clientele for our APEDA and ISO certified business concern in the global marketplace through hard work as well as stringent focus on quality. Our company pledges to constantly cater the best to clients. To do so, we follow a strict quality management system at our enterprise, we also focus on meeting the industrial guidelines perfectly while manufacturing our range. The high quality Red Betel Nut, Broom Stick, Disposable Areca Leaf Plate, Plain Areca Leaf Plate, Coconut Charcoal, Coconut Oil, Indian Spices, etc., that we offer are approved by experts prior to their sale, each product is quality tested as per the standards and guidelines of the domain.

Our globally appreciated enterprise, Lingappa And Co., is applauded by many experts as well as customers for our ability to meet the bulk demands of both our domestic as well as international clients. Worldwide, we are considered a company that can be trusted by all. Focusing on performing in a fair and professional manner, we have created a highly positive image for ourselves in the global marketplace. Our Tiptur (Karnataka, India), established enterprise takes great pride in our qualitative assortment of Broom Sticks, Coconut Coir Rope, Organic Dry Coconut Powder, Areca Leaf Plates, Indian Spices and much more. All of the offered products are made available in the market after strict quality testing at reasonable prices.
