About Us

Continuity is the founding pillar of our company, Justgrow Technologies Private Limited, and we feel proud to say that it is because of our continuous efforts and work consistency that we have been growing in the domain of technology, thereby, doing justice to our name. Our strong reputation as a manufacturer and supplier is because of the consistency in work that we exhibit. The evolution of our company and the steady growth we continue to see in our business is because of the hard work we never fear to do. Understanding that our customers demand high quality products, we offer them the same by following techniques of total quality management system and using modern manufacturing methods. Therefore, resulting in delivery of nonpareil quality of Solar Charge Controller, Solar Home Lighting Systems, Traffic Blinker Charge Controller, Solar Flood Light, etc.

Being fair to our name, we, Justgrow Technologies Private Limited, keep growing by adhering to the core values of our business—integrity, morality, quality and accountability. These values support us in remaining strong even during the toughest of times. The credit of our business stability goes to our employees and our vendors, supported by whom we continue to make our way into the hearts of our customers. Our Pune, Maharashtra, India based business delivers orders of Solar Home Lighting Systems, Solar Flood Light and other products via rail, road or air, depending upon the customer requirement.

Key Facts

No of Staff	15
Year of Establishment	2018
No of Production Lines	1
OEM Service Provided	No

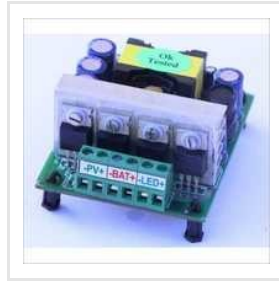

Our Products

24- 50W MPPT Solar Street Light Charge

5A MPPT Solar Charge Controller With USB

JustGrow MPPT Solar Street Light Charge

5A PWM Solar Charge Controller

15W Solar Home Lighting Systems

20-50W PWM Solar Street Light Charge

60-120W Solar Street Light Charge Controller

10A MPPT Solar Charge Controller With USB

10A PWM Solar Charge Controller

Solar Home Lighting Charge Controller

6W-20W MPPT Solar Street Light Charge

20A PWM Solar Charge Controller

Solar LED Traffic Blinker Charge Controller

5A MPPT Solar Charge Controller

12W PWM Solar Street Light Charge Controller

3W-20W PWM Solar Street Light Charge
