## About Us

We, Alax Bioresearch Private Limited entered the industry to serve & support the communities, healthcare & other regions with healthier pharmaceutical and nutraceutical solutions. Our brand mark, revolving triangle depicts three ways of working ethics. It reflects hope, health & happiness. The orange color represents enriched quality of life and grey text reflects credibility in technology & science. As a manufacturer and exporter, we are dedicated to providing the uncompromised quality & quantity of highly affordable products. The range in which we deal, includes Instant Drink Mix Orange, Vitamin C Chewable Tablets, Antioxidants Capsules, Nutraceutical Sachets, Energy Drink Powder and various more items. These items are quality certified as per ISO 22000 and HACCP guidelines.

For the new start-ups, retailers, etc., we are also providing Third Party Manufacturing through various Tablets Third Party Manufacturing Services, Nutraceutical Products Contract Manufacturing Services, etc. Our sole intention is to become the most resourceful and trustworthy partner for customers across the globe.

## Our Vision

The vision is to make our mark in the healthcare field by providing advanced and effective solutions to the customers through our value for money range of Instant Drink Mix Orange, Energy Drink Powder, Antioxidants Capsules, etc. For this, we have our work approaches driven towards quality & customers satisfaction.

## Manufacturing Facility

At the major industrial location of Ahmedabad (Gujarat, India), we have our wide spread manufacturing facility in around 15000 Sq. ft. area. Our workplace is designed and quality controlled as per WHO-cGMP guidelines. We have packaging lines for easily providing suitable packing to each item. With this, we have well-maintained storage for sugar with low RH, stabilized chambers and processing area with HVAC & AHU with provision of HEPA filters. Our advantageous manufacturing area enables us to annually pull out around 132 Million Tablets, 936 Tons Powder, 74 Million Capsules, 13 Million Sachets, 23 Million Bottles Liquid Orals & Drops and 75 Tons Gummies.
