About Us

We at Potatoes Whole Sell SMD have initiated our journey with ambitions of becoming the most customer-friendly firm in the Indian markets. As a trader and wholesaler, we are aiming to create an easier accessibility & availability of freshest range of food items. Our company deals in products such as Coffee Beans, Indian Raw Spices, White Garlics, Fresh Potatoes, Ragi Seeds, Tamarind, Fresh Red Onion and various more. Cultivated through natural methods & organic material, these items have endless demands among customers that we commit to fulfill any given time of the day. We keep ourselves always prepared with a large stock of quality assured products, well-packed to deliver in the times of need.

For their safe storage, we have a quality controlled warehousing area. Our supervisors regularly inspect the entire area and sanitize it for maintaining the required hygiene for products. Also, the temperature levels are maintained as per the requirements so that, longer shelf life can be maintained. For their absolute safety, we keep them properly packed with premium grade material. Our enterprise is rapidly growing and popularizing among the retailers, resellers & other individuals in domestic and urban areas. They are preferring us for our supreme quality of products, offered at cost-saving rates. Through our customer-integrated, ethical and futuristic work approaches, we are continuously winning their trust & confidence in us.
