COMPANY PROFILE

Company Plast is one of the pioneers in the manufacturing of a wide range of plastic primary packaging which has an application in the pharmaceutical, food and cosmetic industries. Our product ranges from eye/ear dropper bottles to high quality of cream jars and shampoo bottles. We are into manufacturing of a wide range of HDPE/PP/LDPE bottles and caps. The plastic bottles and caps supplied by us are available in various shapes, size and colors. Our range of bottles can be customized as per specific requirements of client.

Through our innovative approach we help our clients, suppliers as well as our employees to grow with us. Any kind of product development from the customer side is welcomed by us. With the help of in-house R&D team we at Company Plast strive hard to match quality specifications of our clients.
