About Us

The demand for **Fresh Cow Ghee, Fresh Cow Milk Mawa, Fresh Milk Cream and Fresh Curd** is quite high in the market to meet which our company, **Momaxi Industries Private Limited**, started the venture. As a manufacturer and supplier, we are well aware of our responsibilities and norms and work in accordance with the same. We have big refrigerators in which we store the products to keep them protected from unwanted factors. While shipment our logistics associates take care of the edible and have installed refrigerators in the transport so that they can maintain the freshness of the products.

We have hired special machines for preparation, packaging, etc. of products which boosts our productivity and enable us to meet wider demands with ease. It gives us immense pleasure to see that due to authentic taste, freshness and longer shelf life our products are widely demanded in the market. In order to get in touch with us, customers can either dial our number or get in touch directly by visiting our unit. They can also check the samples before ordering in bulk.

Quality

We were established to process and deliver high-quality dairy products. Because we have maintained our client-centric and quality-centric goals over the years, we have been able to win the heart of buyers. We have spent a lot of money on processing equipment, testing technology, and other things to ensure that the products we make meet industry standards. We have a state-of-the-art testing lab where we quality checks and evaluate the complete range before selling it to our clients. As part of our quality efforts, we also prioritize good product packaging and timely delivery.

Why Us?

The following are some reasons because of which customers prefer to buy us:

- ✿ We always deliver Fresh Cow Milk Mawa, Fresh Cow Ghee, Fresh Curd and Fresh Milk Cream to customers.
- ✿ We never fail in meeting deadlines and have a strong supply chain management because of which we are capable to deliver the array in different parts of the country.
- ✿ We maintain an appropriate temperature in our unit and complete hygiene as well.
