

Offering High Quality Sheet Metal Component, Precision Sheet Metal Component, Sheet Metal Parts, power Press Component, Stamping Parts, Punching Parts, Progressive Sheet Metal Component, Press Tool Parts, Auto Electrical Sheet Metal Components, Etc.

About Us

We are manufacturer and exporter of Sheet Metal Components, Precision Sheet Metal Components, Stamping Parts, Sheet Metal Pressed Components, Progressive Sheet Metal Parts, etc. We are an ISO 9001:2015 certified company established in the year of 2005 with a vision to become a one stop solution for all the sheet metal forming parts requirements. We are manufacturing a wide range of Sheet Metal Components used in Auto-Electrical Applications, Electrical, Switchgear, Connectors, Relays, Engineering Industries, Whitegoods, etc. These are manufactured out of various grades of Steel, Stainless Steel, Copper, PB and Brass, thickness range from 0.10mm to 3mm thickness with tonnage capacity of 5 to 45 ton High Speed Presses. We have In house modern tool room facility to design and develop Progressive Tooling for any type of sheet metal component.

We, **Creative Engineers** are one of the leading **manufacturers, exporters** and **suppliers** of **Sheet metal parts, Power Press Component, Stamping parts, Square Washers, Auto Electrical Sheet Metal Components, Electrical Copper Components, Switchgear Terminals, and Precise Sheet Metal Components**. To manufacture them, we use only high quality brass, copper, spring steel etc. These products are checked by quality experts on the basis of various parameters like corrosion resistant, durability, dimensionally accuracy and others. We also provide the products in customization and our products are suited for the industrial piping, automobiles, shipping containers, railroad tracks, domestic tools and other commercial applications. They are included with high carbon content and can resist the moisture to an advanced level.

Key Facts

Business Type	Manufacturer, Supplier & Exporter
Number of Staff	30
Year of Establishment	2005
Number of Production Lines	01
OEM Service Provided	Yes
Number of Engineers	03

Our Products

Automotive Sheet Metal Components

Fly Press Parts

Sheet Metal Pressed Components

Pressed Metal Parts

Sheet Metal Press Parts

Press Tool Components

Precision Sheet Metal Component

Custom Sheet Metal Parts

Automobile Sheet Metal Parts

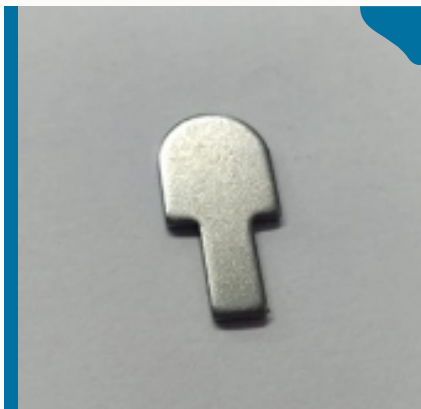

Brass Pressed Component

Progressive Sheet Metal Component

Power Press Components

Pressed Component

Pressed Component Ms

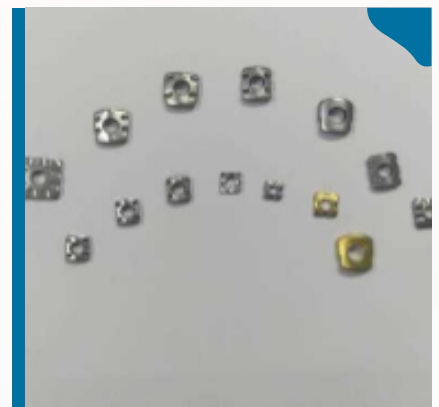

Precision Metal Stamping Parts

Stamping Parts

Automotive Stamping Parts

Stainless Steel Stamping Parts
