About Us

Construction and mining are two important industries, which contribute hugely to the growth of an economy. For performing quality rich and time saving construction and mining works, small to large scale companies require dependable brands of equipment. Introducing the most trustworthy Caterpillar brand of heavy duty construction and mining equipment to support all scales of companies in performing cost-efficient works is the strong suit of Gainwell Commosales Private Limited.

Our foundation took place in the year 1944. It has been 78 years to our establishment and we can proudly state that there is no organization better trusted than ours, in the Indian marketplace for availing Hindustan 2021E Wheel Loader, CAT 424 2WD Backhoe Loader, CAT 390F L Hydraulic Excavator, CAT 962L 265 HP Medium Wheel Loader and other equipment. We, as supplier and trader, bring to the Indian market, Caterpillar brand of mining and construction equipment, in different models and specifications, all of which are produced as per ISO standards. Partnered with the best of the industry, we are now supplying our equipment through our subsidiary, in the multi-ethnic country of Nepal.
