About Us

Global Marketing Empire is a reliable business entity that is working in the engineering domain since 1995. Since the time of our formation, we have been recognized as a quality-focused manufacturer and an exporter. We play our job roles exceptionally well and, for this reason; our customers trust us more than any other company. By offering Paste & Cream Filling Machines, Automatic Bottling & Filling Machine, Box & Carton Taping Machine, Box Strapping Machine, Capping Machine, etc., of unparalleled quality, our company has gained prominence. Since, we are also in the export business, we pay crucial attention over the factor of studying markets extremely well. We study both national and international markets perfectly to understand exact requirements of clients. By exporting 40% of our offerings like Semi Auto Filling Machine, Vacuum Packing Machine, Sealing Machine, Shrink Wrapping & Packing Machine, etc.; we ensure that technologically advance range of machines made in our country reaches across the globe and help us enhance our nations economy.

Global Marketing Empire is a company to rely upon due to the quality of products we offer. The products like Box Strapping Machine, Capping Machine, Cup Glass Filling & Sealing Machine, Induction Sealing Machines, Liquid Pouch Packing Machine, etc. we offer are checked over each and every quality parameter to ensure these stand up to the industrial quality standards. In-house quality checking ensures that no room is left for the defects to occur. This is being the reason; we are loved by the customers of this domain. Another factor than quality that makes our Ambala Cantt (Haryana, India), based company a step closer to our customers hearts is our stringent adherence to business ethics.
