## About Us

The history of Hasmukhlal & Brothers, dates back to the year 1980 when the foundation stone of our family owned group of company was laid down on the basis of our core values- integrity, quality, responsibility and accountability. We, as a manufacturer, have set up a state-of-the-art infrastructural base that helps us with the production of induction motors and power transmission products sold under the brand names Bonnie-Tech and Bonnaflex, respectively. Electric Motor, Taper Lock Pulley, Taper Lock Timing Pulley, Coolant Pump, DC Coupling, BSW-265 Coupling, HBG Rotary Gear Pump and Encoder Coupling are some products from our product line that are highly demanded in the market due to their attributes like low power consumption, high efficiency, etc. Since the time, we have entrenched our roots in the market, we keep investing in our research and development and to provide innovative and easy-to-use solutions to our customers.

Hasmukhlal & Brothers has a legacy of quality since 1980. We have been dealing into HBG Rotary Gear Pump, Machine Pulley, Heavy Duty Gear Pump, BSW-265 Coupling and more of unmatched quality. Rajkot, Gujarat, India is the location where our infrastructural base is situated that is outfitted with hi-tech machines such as gear shaper machine, drilling machine, grinding machine, CNC machine, milling machine, VMC, etc. We have attained reputed position because we understand the requirements of our customers and cater them with the products of their choice. By exporting 30% of our offerings overseas, we are also recognized as a reliable exporter.
