About Us

We are a prominent manufacturer and exporter of mechanical equipment spare parts, phenolic sheets, phenolic laminated sheet, fibre bearings, industrial fibre bearings, etc. our products are appreciated for their smooth operations, dimensional accuracy, corrosion resistance, easy installation, long service life and low maintenance.

Supported by highly experienced and qualified professionals, we are able to offer superior quality products to our patrons. Our professionals use all available resources in an efficient and judicious manner with the aim to reduce the production cost. This helps us offer the products like Phenolic Sheets, Phenolic Laminated Sheet, etc at industry-leading prices. Furthermore, with the help of our expansive distribution network and trained logistics personnel, we timely deliver the consignments at clients' doorstep. Moreover, customized facility, convenient payment options and easy shipment options have helped us build a vast customer-base across the regions of India, East Africa and Gulf Countries. Under the constant motivation of our mentor, Mr. Rajan Shah, we have carved an inexorable niche in the domain for ourselves. His years of experience, brilliant managerial skills and in-depth knowledge have helped us in reaching the towering heights of success.

Key Facts

No of Staff	50
Year of Establishment	1996
OEM Service Provided	No

Our Products

Phenolic Cotton Cloth Tube

Change Over / Capacitor Cut-Off

Control Transformers & Current

Thyristors, Fuses, Resistors And Diodes

Phenolic Cotton Cloth Sheet

Phenolic Cotton Cloth Rod

Fabric Fibre Bearings

Insulation Material

Guide Rings

Fabric Based Hylam Sheets

Phenolic Cotton Fabric Laminate Sheet

Phenolic Paper Laminated Sheet

Fibre Rocker Ring

Phenolic Laminated Sheets

Plunger Packing

Mechanical Seal Rings
