About Us

M.G. Industries (Regd.) is a partnership concern, which was established in the year 1989 by a team of young and dynamic entrepreneurs. The company is the outcome of deep industry knowledge and vast experience. It has been 19 years since our inception, and today, we are regarded as an eminent manufacturer and exporter in India. Our wide product array encapsulates Cast Iron Pipe Fittings, Malleable Cast Iron Pipe Fittings, Scaffoldings, Insulator Metal Parts, Cast Iron Products, etc., and these are available under the banner of 'MG', which is a registered trademark of the company.

Every product offered by us, bears the much-coveted ISI Mark, a certification bestowed upon us by the Bureau of Indian Standards. Our products like Malleable Iron Pipe Fittings are designed and manufactured in tune with rigorous quality standards, making every product unique in terms of Durability, Strength, Stability, Safety and Reliability. The company can produce up to 200 metric tonnes of Malleable Cast Iron Pipe Fittings and allied products per month to effectively meet the ever-growing demand for our products. We are a well-established company embracing sturdy infrastructure and efficient manpower. The cost of production is kept as low as possible to make the products affordable to one and all.

M.G. Industries (Regd.), a partnership concern was established 30 years back in 1989. The company starts its journey with meager production of Malleable Cast Iron Pipe fittings and very soon established as one of the leading manufacturers of Malleable Cast Iron Pipe fittings in India. This company was originated from Jupiter Group of Industries and was another milestone achieved by this business family who is in the field of pipe fittings from the last 58 years with the principal concern namely Jupiter Metal Industries (Regd.).
