SIGMA MIXER MACHINE

About Us

We, S. P. Engineering Co., were founded in the year 1995 and since then we have grown to become a renowned name in the domestic market as an illustrious manufacturer, supplier, exporter and service provider. The products we offer include an assortment of all kinds of Hydraulic Press Machine, Hydraulic Disperser, Industrial Hydraulic Press, Hydraulic Pump Machinery, High Precision Mills, Attritor Mill, OBD Pug Mixer, Batch Type Sand Mill, Bottle Filling Machine, Regular Sand Mill Model, Hydraulic Press, Resin Plant Equipment, Triple Roll Mill, Hydraulic Stirrer Variable Speed, Paint Machinery, Chemicals Plant Equipment and many more. In addition, we provide repairing and maintenance services of these products.

The entire range is developed from best quality Mild Steel, Stainless Steel, Electric Motors, Bearings and other materials which are passed from quality checks before their use. Because of the growing demands of our customers, we have developed a state-of-the-art infrastructure system where we produce huge quantities without any trouble. Also, the on time delivery facility is one of the major benefits of our company and it has gained us many eminent customers. We have a suitable, congenial and positive environment at our workplace, which motivates and supports our employees to work efficiently. They follow all the industrial guidelines during the production process and make sure that the quality of work is not decreased.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	high speed stirrers,mixing vessels,hydraulic press machine,paint mixing machines,painting machine
No of Staff	10
Year of Establishment	1995
No of Production Lines	2
OEM Service Provided	No
ProductRange	high speed stirrers,mixing vessels,hydraulic press machine,paint mixing machines,painting machine

Our Products

**Wire Rope
Swaging/Splicing**

Painting Machine

Batch Type Bead Mill

Dry Distemper Ball Mill

Attritor Mill

Pug Mixer

**Drum Cap Sealing
Machine**

Tin Packing Machine

OBD Pug Mixers

Primer Ball Mill

Continuous Sand Mill

**Hydraulic Press
Machine**

Industrial Vessel

MIXING VEESEL

**Die Cushion Hydraulic
Press Machine**

**Horizontal Sand Mill
Single**
