About Us

Under the inspiring leadership of the visionary **Mr. Atul Kumar Singh**, we have made our enterprise, **Ally International** an epitome of success and prosperity. Since 2001, we have been working as a **manufacturer** and **exporter** of an extensive range of industrial products that cover broad range of applications and cater to demands of diverse sectors. Our offered product line ranges from **Polyurethane Mining Screen, UHMWPE Chain Guide, Nylon Bush, Polypropylene Sheet, Chopping Board, Acetal Rod, Peek Gear** to many others. By providing technically advanced and value added polymer engineering solutions to customers, we have expanded our business in markets, worldwide.

We have become the best choice of customers from Paper, Conveying, Cement, Steel, Press Tool, Bottling, Automobile, Building Construction, Coal, Oil, Food, Marine, Chemical, Mining & other sectors that require general engineering solutions. Our enterprise adheres to all the norms and policies that are vital for delivering the highest standards of polymer engineering solutions to customers in these sectors.

From the very first day, we have been completely practical, punctual and professional with our work approaches. This is why, a large number of customers put their trust on us for long time. Our approaches for handling the inbound & outbound processes of the company always remains customer based so that we can accurately provide them the products, deals and services in the ways that they want.

Ultramodern Facilities & Benefits

At Pune, Maharashtra, we have two large production units that are facilitated with modern facilities and resources. All the tools, machines, software and other equipment that are vital for our team members for running production, testing, packaging and other processes are installed in our premises. These facilities give us advantage of doing experimentations with Peek Gear, Acetal Rod, Chopping Board, Polypropylene Sheet, Nylon Bush, UHMWPE Chain Guide and other products in order to meet every specific requirement of our customers. And, complete the orders, even bulk quantity, on time.

Our Products

PU Paver Track Pad

Polyurethane Mining Screen

Polyurethane Wheel

PU Rollers

Polyurethane Rods

PU Seal

Seal Bush

Spider Coupling

TPU Bush

UHMWPE Rods

UHMWPE Sheets

UHMWPE Profiles

UHMWPE Chain Guide

UHMWPE Wear Plate

UHMWPE Corner Track

Nylon Rods

Nylon Components

Nylon Gear
