## About Us

Adhering to simplistic approach of technology and streamlined business operations, we, "Universal Engineering", endeavor to serve our customers with premium quality products at market leading prices. Marching ahead with a consistent focus on quality, we have grown considerably to become a reputed and well established manufacturer, exporter and supplier of S.S., C.I., C.S., G.M., and Investment Casting Valves, Cocks and Pipe Fittings. From a modest beginning In 1972, we have made rapid strides in technology and have achieved an ISO 9001:2000 certification. Thus, presently we are recognized by our esteemed customers as the most reliable single point source for their versatile requirement of Valves and other products. Periodic market research and regular feedback collection empowers us to better understand the market scenario and fulfill them with our sincere efforts.

Our pursuit towards excellence in our products is accomplished by our committed and efficient personnel, skilled workforce who continually work to comply with discerning demands of the global market. With our inclination towards innovation and improvement, we regularly conduct research operations assisted by dedicated and professional team of research and development department. Our durable, reliable and impeccable quality products speak volumes of our proficiency and high grade professional capabilities. Universal Engineering's consistent commitment to bring new and improved products combined with its quality assurance has enabled us to develop large customer base on the national as well as international platform.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>No of Staff</b>	25
<b>Year of Establishment</b>	1972
<b>OEM Service Provided</b>	No

## Our Products

**I.C 304/316 BALL VALVE  
SCREWED ENDS**

**I.C 304/316 BALL VALVE  
FLANGED ENDS**

**S.S BALL VALVE  
FLANGED ENDS**

**S.S (Eye Type) Heavy  
Type Screwed End**

**I.C 304/316 3 WAY BALL  
VALVE FLANGED ENDS**

**S.S BALL VALVE  
SCREWED ENDS**

**MILD STEEL BALL VALVE  
FLANGED ENDS**

**S.S JACKETED BALL  
VALVE FLANGED ENDS**

**MILD STEEL BALL VALVE  
SCREWED ENDS**

**IC 304-316 Single Piece  
Screwed End**

**S.S 3 WAY BALL VALVE  
SCREWED ENDS**

**S.S (Pin Type) Screwed  
End**

**S.S BALL VALVE  
FLANGED ENDS**

**CAST STEEL (WCB) BALL  
VALVE SCREWED ENDS**

**MILD STEEL EYE TYPE  
BALL VALVE SCREWED**

**I.C 304/316 BALL VALVE  
FLANGED ENDS**
