About Us

With the mission to provide top-quality bi-degradable tableware, we, Vagon Ecopak LLP, dedicate ourselves to offering Eco-friendly solutions for a better world. We are a reliable manufacturer and supplier of premium quality Disposable Round Plate, Disposable Square Plate, Disposable Meal Tray, Disposable Bowl, Disposable 4CP Plate, and several other products. We are working hard to bring forth products that are environmentally sustainable yet very handy for use, leaving negligible footprints. We are driven by our clarity of mission: immaculate tableware that reduces waste and leaves no environmental impact. We manufacture our product using composable and renewable materials.

Located in Morbi, Gujarat, we, Vagon Ecopak LLP, are a fast-emerging manufacturer and supplier of bio-degradable Disposable 4CP Plate, Disposable 3CP Plate, Oval Bowl Lid, Disposable Clamshell, Rectangular Disposable Clamshell, and others. Our company was established in 2023, and in this short period, we have created quite a flutter in the market. We are driven by the passion to offer eco-friendly and environmentally sustainable products. Today, we are in a messy situation climate and environment-wise. If we do not act now, we will be in for great predicament in the future. We have begun our business with the right intent of designing and manufacturing top-grade disposables, which are not only bio-degradable and environment-friendly but also demanded for their trendy appearance. Customers who are willing to purchase the range in bulk quantity are most welcome with their inquiries.
