About Us

Mini Metro EV LLP is a major manufacturer and supplier of high-quality e-rickshaw loaders and Mini Metro electric rickshaws. We also render value-added after-sales repairing services. With a dedication to offering high-quality vehicles, we supply value-for-money products to the patrons. Our manufacturing unit is located over an area of 20,000 sq. ft. with state-of-the-art machinery to provide 100% in-house fabrication from sheet metal processing through final assembly.

Our advanced manufacturing unit employs modern CAD-CAM facilities to develop innovative and trendy vehicle models. Our factory plant is situated strategically at Meerut, Uttar Pradesh, India, with a 50,000 sq. ft. covered building in a green zone. With a high-tech setting of machinery, fixtures, and equipment, the present production rate is 50 vehicles per day, with capacity to increase accordingly to match market demand.
