FAUCET COLLECTION
THE ART OF FLOW

About Us

We understand Nature of water.

With this simple philosophy we create brand **SEA WAVES** with the mission to create a good product that is honestly made and sincerely sold.

SEA WAVES brand of faucets and accessories stand on two professed benchmarks of constant innovation and uncompromising quality.

The traditional relationship of pride of the craft is combined with the speed and precision of machinery, along with the specification provided by the clients, to foster a new blend of art and technology.

Since our specialty is in manufacturing Bathroom Fittings per Plumber satisfaction, stringent quality control steps at every stage is essential.

Quality control at **SEA WAVES METAL CRAFT** starts with a exacting check of raw material as per your requirement and is maintained throughout the manufacturing process till final dispatch. We have a team of engineers to respond to your command. Our varied products cater to an ever increasing spectrum of industries and firms.

For delivering customized brass components and final products to any business partners, firms and distributors, we at **SEA WAVES METAL CRAFT** are fully geared to assist every step of the way from actual design to quality fabrication.
