About Us

Star Fab is a trusted name in the field of cable management solutions, specializing in the manufacturing and supply of premium-quality Perforated Cable Trays, Mild Steel Ladder Cable Trays, Galvanized Duct Cable Trays, and Crossover Bends. With a commitment to engineering excellence and customer satisfaction, we have established ourselves as a reliable partner for industries seeking durable, high-performance, and cost-effective cable support systems. Our products are designed to meet diverse industrial needs, ensuring efficient routing and protection of electrical wiring in commercial, residential, and industrial setups.

Our state-of-the-art manufacturing facility is equipped with modern machinery and operated by a skilled workforce that adheres to strict quality control standards. We focus on using high-grade raw materials and precision engineering to deliver products that offer strength, corrosion resistance, and long service life. Whether it's a small-scale project or a large infrastructure requirement, our company ensures timely delivery, custom solutions, and exceptional after-sales support. Our dedication to innovation and consistent quality has helped us build lasting relationships with clients across sectors, making us a preferred choice in the cable tray manufacturing industry.
