About Us

Jabra Connect India Private Limited was established to provide a fresh approach to connection, communication, and collaboration. We have immersed ourselves in a global ecosystem that is committed to making technology as simple as possible and provide every interaction, wherever they may be; in the office, at home, on the move, or in-between to be as seamless as possible.

In just a few years, we have grown into a trusted name in Indias communication and collaboration space. Our foundation rests on innovation, reliability, and a strong customer-first approach. Every day, we work towards enabling better conversations and smarter workspaces by offering technology that brings people together no matter where they are.
