About Us

Acme Corp is a reputable brand working in the field of trading and supplying of high tech machinery for packaging and paper based manufacturing processes. The company main business is to supply reliable equipment that serves to ensure efficient production, stable output and better operating efficiency. Acme Corp is well-versed in the needs of the industry and can provide practical solutions to the machinery that meets the needs of manufacturers aiming to optimize their packaging processes and ensure high-quality products.

The company provides a variety of machines for various production phases in rigid box and paper packaging. It has a range of products such as Rigid Box Forming Machine, Rigid Box V Grooving Machine, Hot Melt Glue Machine, Hot Melt Dispensing Machine and Paper Gluing Machine. Every machine is chosen according to the criteria of functionality, which is required in the vast majority of manufacturing environments, and which helps businesses ensure smooth and reliable production. Acme Corp has a strong focus on offering machinery that can make a positive contribution to productive and organized manufacturing processes. The company is aware that machinery choices can affect the rate of production, material handling, finishing quality and overall workflow. So, to provide the equipment suitable for packaging manufacturers and paper processing companies practical needs.

Key Facts

No of Staff	6
Year of Establishment	2018
OEM Service Provided	No

Our Products

Hot Melt Dispensing Machine For Surgical

Hot Melt Adhesive Dispenser For Paper

Hot Melt Glue Machine

Hot & Cold Automatic Rigid Gluing Machine

Rigid Box V Grooving Machine

Automatic Rigid Box Grooving Machine

PLC Rigid Box V Grooving Machine

Paper Gluing Machinery

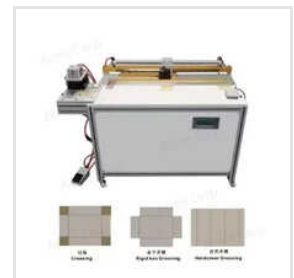

Rigid Box V Grooving Machine

Automatic Rigid Box Making Machine

Box Corner Taping Machine

V Grooving Machine With Corner Cutting

Rigid Box Bubble Pressing Machine

Box Corner Tape Machine

Rigid Box Corner Taping Machine

Bubble Pressing Machine
