About Us

We, Roshan Time, have been a reliable manufacturer, supplier, and trader of LED Digital Clock, Home And Office Namaz Display Boards, LED Wall Mounting Salah Time Indicators, Led Moving Message Display, Electronic Namaz Time Indicator, Salah Time Digital Indicator, and many such products, since our inception in 2002. Our products are made in India and all are wall mounted, which make them worth buying. We are known for delivering the best quality products by procuring and using high-class raw materials in their development. After production, each product goes through a strict quality check. This helps in supplying such products that are unparalleled in terms of efficiency, performance, designs, and durability. After all this, our clocks, display boards and time indicators are packaged in proper boxes for defect free deliveries.

We have a built-in production unit with the latest technology and equipment. We thrive to move forward in the domain with excellence in our products and fair business ethics as our major aspect. Some of the major traits we are well known for are our transparency in dealings, firm associations, efforts for environment protection, and more. The credit for our success to date goes to the efforts and management of our team, which works hard and helps us in achieving our goals.
