

Inspiron

Product by

Designed for reliable oxygen therapy with high purity, quiet performance, and effortless operation. Inspiron is built to deliver clinical performance for both home and clinical care.

OXYGEN CONCENTRATOR

*Breathe Better.
Live Better.*

Built to Higher Standards

Designed for Clinical Outcomes

Inspiron delivers rated purity across the complete flow range. Engineered airflow allows the machine to run continuously for longer uninterrupted oxygen therapy.

Engineered for Safety

Comprehensive alarms, protection systems, and compliance with international medical standards ensure dependable everyday operation.

Quick Start and Set up

Is ready for oxygen therapy in approximately **90 seconds** after startup

Versatile with Intuitive Design

Portable design with push-fit humidifier bottle and integrated nebulizer outlet for convenient daily use.

Designed and built for better clinical outcomes, Inspiron delivers rated oxygen purity across the complete flow range.

*Its engineered airflow system allows the machine to operate continuously without overheating, providing longer, uninterrupted oxygen therapy for up to **1,500 hours**.*

Features & Indicators

Visible Oxygen Purity Indicator

Easily monitor oxygen purity from up to **5 metres** away.

Integrated Nebulizer Outlet

Supports oxygen therapy and nebulization in one unit.

Runs Continuously, 24/7

Advanced thermal management and optimized airflow enable uninterrupted operation.

Ready in ~90 Seconds

Delivers oxygen therapy quickly with minimal startup time.

Push-fit Humidifier Bottle

Easy to attach and remove for daily use.

Bright Display Panel

Clear, illuminated display for effortless monitoring.

INDICATOR								
	POWER ON	MALFUNCTION	LOW PURITY	SERVICE DUE	NO FLOW	EXCESS FLOW	POWER FAILURE	REPLACE FILTER
CONDITION	The device switched ON	Sensors not working	O ₂ purity 70–82%	O ₂ purity <70%	No flow for >1 min	Flow exceeds limit	AC power interrupted	Filter replacement reminder
AUDIBLE ALERT	7 beeps	Continuous beep	1 beep every 5 sec	1 beep every 3 sec	One beep every two seconds	One beep every two seconds	Continuous beep for >3 min	20 beeps once every 4 hrs for 24 hrs

Product Specifications

Inspiron Oxygen concentrator is a medical device and should be used under doctor prescription

Inspiron Oxygen Concentrator Models

SPECIFICATION	INSPIRON - 5L	INSPIRON - 10L
OXYGEN PURITY	93% $\pm$ 3%	93% $\pm$ 3%
