About Us

The popularity of plastic products is on the rise as these are strong, durable, easily available and can be designed as per desire. This is the reason why we, Shri Jee Industries wanted to invest in the market of plastic products and present our expertise in the field. Since the year 2010, we have been presenting our products as a prominent manufacturer and supplier to numerous customers. Clients prefer our products including Plastic Bucket, Plastic Rack, Plastic Dustbin, Plastic Round Container, Plastic Soap Dish, Plain Plastic Bucket, Plastic Bath Tub, etc., because of their optimum strength, superior quality and affordable prices. This is how we have been able to increase the reach of our products in the market.

Analyzing the constantly growing market of plastic products, we, Shri Jee Industries, started our company to progress our business alongside the evolving market. Over a decade ago, we had established our modernly built facility in the capital city, Delhi, India. Our facility is embedded with a top-class production unit to manufacture durable plastic products like Plastic Container, Insulated Plastic Water Jug, Plastic Round Stool, Plastic Paddle Dustbin, Plastic Round Basket, etc. After the production phase, the products are tested for optimum quality and stored at the warehousing facility which is also housed in our premises. In an organized manner, we then ship the products to numerous customers across different locations.
