About Us

Siddhivinayak Corporation is a foremost provider of construction platform rental services and material hoist rental services. Our company offers a wide range of rental services for aerial work platforms, suspended platforms, facade access platforms, material lifts, and worker hoist lifts. We have been serving the construction industry for over a decade, delivering functional, safe, and efficient construction platform rental services to our clients. Our services include man-material lift rental services, MS Gandola suspended platform rental services, aerial work platform rental services, rack and pinion hoist rental services, etc.

We have a team of professionals who have expertise in the installation, operation, and maintenance of specialized construction platforms and hoisting platforms. Our team has the experience and capability to provide services for high-rise buildings, bridges, or other similar structures. We have the capability to modulate our services as per the requirement. We are known for our meticulous attention to details to ensure safety without affecting functionality. We are a trusted partner that provides suitable rental solutions for all your platforms and hoist rental services.
