

EXPORTER, MANUFACTURER AND SUPPLIER

# INDUCTION BRAZING MACHINE

Heat Exchanger, Induction Alloy Melting Equipments, Induction Annealing Equipment, Induction Brass Heating Machine, Induction Brazing Equipments, Induction Brazing Machine with HHT, Induction Forging Machines, Induction Gold Melting Machines, Induction Heat Treating Machines, Induction Heating Machine, etc.

**INDUCTION MELTING FURNACE**

**INDUCTION ALLOY MELTING EQUIPMENTS**

**INDUCTION GOLD MELTING MACHINES**

## About Us

Based in Mumbai (Maharashtra, India), Microtech Inductions (India) Private Limited has been a key manufacturer & supplier of Induction Forging Equipments. We design and engineer general purpose, specific and automated induction systems. These are designed to provide innovative and flexible solution to a variety of industries. Long-life performance and reliable operating are the core features of our products. Our experienced team of engineers, application experts and metallurgists is always ready to work with you. We offer advanced technology for manufacturing, engineering, thermal processing, and other industries.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	induction vaccum melting furnace,induction melting machine,induction hardening machine,induction forging,Induction Brazing with HHT,Induction annealing,induction heating machine,induction brazing machine
<b>No of Staff</b>	11
<b>Year of Establishment</b>	1990
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	induction vaccum melting furnace,induction melting machine,induction hardening machine,induction forging,Induction Brazing with HHT,Induction annealing,induction heating machine,induction brazing machine

## Our Products

**Induction Brazing Equipments**

**Planchet Heating Machine**

**Induction Brass Heating Machine**

**Induction Forging Machines**

**Induction Heating Systems**

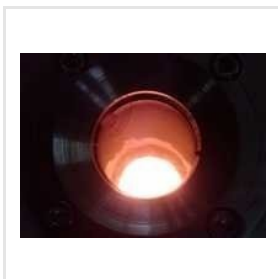

**Induction Annealing Equipment**

**Shrink Fitting Machine**

**Induction Gold Melting Machines**

**Induction Vacuum Melting Furnace**

**Induction Heating Machine**

**Industrial Chiller Controller**

**Heat Exchanger**

**Induction Melting Machine**

**Induction Brazing Machine With HHT**

**Induction Heat Treating Machines**

**Induction Heating Machinery**

## ADDRESS

**101,106 ,107 & 110 Nitin Industrial Complex, S.P. Marg, Ghartan Pada No. 1, Dahisar (E), Mumbai, Maharashtra, India (400068).**
