About Us

R.C. Enterprises is an authorized dealer of Berger Protection Protective Coating Division and has been a successful trader and wholesaler of Light Grey Coating, Epoxy Thinner, Electric Airless Spray Painting Machine, Airless Gun Seal, etc., for a couple of years now. Apart from dealing in all these products of reputed brands like International, SCE, Maxwar, CP, Jaguar, etc., we have expanded our business operations to be a service provider of Diesel Compressor Rental Services. We are well-known Nationwide for maintaining transparency in our business deals. To make this certain, we remain honest to our customers about us, our vendors, product quality we offer them, their order status and all other factors. Thus, upholding all our promises that we ever made to our valuable customers.

Trading and manufacturing companies depend on each other to sustain in the competitive business world. For this reason, associating with the ones that are zealous and have complete knowledge of their market, is a must. In the view of this aspect, we not only emphasize on identifying the most trusted vendors, but build long-lasting business relations with them to source Epoxy Thinner, Airless Gun Seal and allied products of unmatched quality. Besides, we aim to constantly improve ourselves by improving our marketing strategies, promotion tactics and efficient logistic network to reach a wider audience while backing our vendors to elevate their sales. Therefore, it would not be wrong to say, we choose the best, it is important to be the best and we put in all our efforts to make it big.
