About Us

With a range of Herbal Products, Supplements and Personal Care Items specifically tailored to your needs, we, **SS Entrepreneurs**, are the perfect source for availing anything that would help you maintain overall wellness and keep your body functioning at its best. As an **ISO 9001:2015 manufacturer and exporter**, we deal in **Herbal Ayurveda Juice, Herbal Cosmetic, Herbal Bath Soap, Herbal Chyawanprash, Herbal Supplement Drops**, etc., which are formulated following SOP. Our brand SSURE brings forth many products that help one stay on top of his or her health and right on track. We also offer innovative models of Water Geyser that we design recognizing the importance of quality, functionality and energy efficiency demanded in such products.

We proudly employ many traditional production procedures and comply with FSSAI (Food Safety & Standards Authority of India) norms to keep valuable elements in end-products intact. Besides, we implement modern quality standards to produce our product line as per international quality norms. We also owe our good fortune and staggering sales rate to our Sales Head, **Mr. Sanjay Kumar Verma**, who works to ensure that we always remain armed with the broadest selection of the very best product possible.

Business Objectives

Our mission is set the benchmark in our sector through hard work and continuous product innovation. In line with this, we not just produce goods for direct sale but also offer Third Party/Contract Manufacturing to other interested herbal companies. We manufacture products for them using best ingredients available, which they then sell under their own brands with proper labelling. Through our association, they manage selling reasonably priced products that feature rich taste, long shelf life and comply well with international quality standards.

Quality Standards & Vendor Base

Because of constantly providing excellent quality products and outstanding customer service, we have received many awards and appreciations. We are proud recipients of UDYAM Certification, ISO 9001:2015 Certification, and have got recognition as the Fastest growing MSME Enterprise (India 5000 Best MSME Award 2019). To keep up with this quality image, we only ally with reputable vendors in business and abide by the strictest of quality standards prescribed for the Ayurvedic industry. This is the reason buyers never fail finding quality assured products that are perfectly packaged under the SSURE brand name.
