About Us

Established with a vision to provide reliable and efficient power solutions, Diesel Generator has become a trusted manufacturer and supplier of high-quality Diesel Generators for various industrial, commercial, and residential applications. We are committed to delivering advanced and durable power backup systems that ensure uninterrupted performance and maximum efficiency. Our generators are manufactured using premium-grade components and modern technology, making them highly reliable, fuel-efficient, and capable of performing under demanding conditions.

At Diesel Generator, we focus on maintaining superior quality standards throughout the manufacturing process. Every product is carefully designed and tested by our experienced professionals to ensure excellent functionality, low maintenance, and long service life. Our advanced infrastructure and modern production facilities enable us to meet bulk requirements within the committed time frame while maintaining product quality and precision.

We believe in understanding the diverse requirements of our customers and offering customized solutions that best suit their needs. With the support of a skilled workforce, strong logistics network, and customer-focused approach, we have successfully built long-term relationships with clients across different sectors. Our dedication to quality, timely delivery, transparent business practices, and competitive pricing has helped us earn a strong reputation in the market.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	silent diesel generators,dg sets,escorts diesel generator,
No of Staff	7
Year of Establishment	2019
OEM Service Provided	No
ProductRange	silent diesel generators,dg sets,escorts diesel generator,

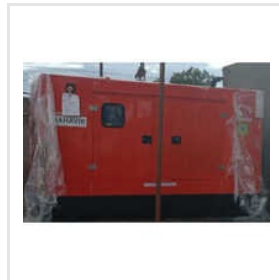

Our Products

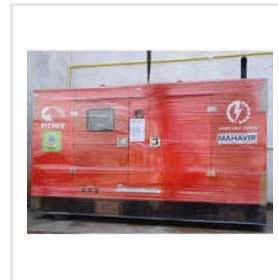

140 KVA Diesel Generator

70 KVA Diesel Generator

75 KVA Diesel Generator

100 KVA Diesel Generator

50 KVA Diesel Generator

45 KVA Diesel Generator

35 KVA Diesel Generator

30 KVA Diesel Generator

82.5 KVA Diesel Generator

125 KVA Diesel Generator

60 KVA Diesel Generator

40 KVA Diesel Generator
