About Us

Our company, Sohal Engineers, is well-known manufacturer and supplier of Bread Cutting Blades, Slicing Machine, Bread Slicing Machine, and more. Our product line is made with premium raw materials that are sourced from reputable suppliers and are highly valued for their longevity and high efficiency on the international market. With the assistance of skilled and knowledgeable professionals that periodically verify our goods on a variety of parameters, we have been able to earn the trust and respect of our clients. Our products come in a variety of sizes and shapes and are frequently utilized in major retail and wholesale bakeries.

The quality of our products is determined on the vendors we choose, thus we select them carefully. Each item procured is evaluated before being used by us, and they are selected following extensive market research. We strive to possess the traits that enable us to guarantee the happiness and satisfaction of every client we work with.
