Cake Box (Available Size 7x5x3.5, 8x8x5, 10x10x5)

The cake box is available in three different sizes: 8x8x5 inches, 7x5x3.5 inches, and 10x10x5 inches. It can be made from ITC Food Grade or back gray/white board materials. These boxes are designed to securely hold and transport cakes, keeping them fresh and intact during delivery or storage. They come with a practical design and are ideal for various cake sizes and occasions.

Burger Box (Available in Various Sizes, also Customized)

Discover our Burger Box Collection, a perfect blend of convenience, versatility, and sustainability. Available in various sizes, these boxes are tailored to suit all your burger packaging needs. Crafted with ITC food-grade material, rest assured that your burgers will remain fresh and safe. Embrace your brand identity with our customization options, where you can add your logo, artwork, or text to the box. For those committed to eco-conscious practices, we also offer back gray/white board options, ensuring your packaging aligns with your sustainability goals.

Delivery Option

- Pan India Service Provider.
- Pan India Door Delivery Available.
- Export - FOB and CIF Shipment will be done.

Sandwich Box (Normal & Club Sandwich)

The sandwich box comes in two sizes: normal and club sandwich. These boxes are made from either ITC food-grade board or back gray/white board materials, ensuring food safety and quality. The normal size is suitable for standard sandwiches, while the club sandwich size is perfect for larger, layered sandwiches. These boxes are designed to securely hold sandwiches, keeping them fresh and preventing any leakage or spillage.

Momo Box (Customized Your Own size)

The custom momo box offers you the freedom to select your desired size, tailored to fit your specific momo requirements. Crafted from ITC food-grade board, this box guarantees the highest level of food safety and quality. Whether you serve traditional momos or special variations, this customizable box ensures a perfect fit for your delicious dumplings.
