About Us

Prolong Composites India Pvt Ltd. was formed in 2018 on the fundamental ideals of delivering supreme quality and having innovation. We are honoured to be at the forefront of composite technology, having developed a wide range of FRP products. We are popular in the market for one of the most recent innovations, which is the first manhole cover with a composite F900 load rating. We are one of the top manufacturers of Fibre Reinforced Plastics (FRP) goods in India. We make FRP Plate, FRP Storage Tank, FRP Pot, FRP Railing, FRP Manhole Cover, FRP Moulded Grating, among many other things. We work hard with the goal of producing and providing cutting edge, novel fibre reinforced polymer (FRP) products that perfectly address the shortcomings of conventional materials such as cast iron, steel, cement concrete, etc.

We are able to create items that are both economically and technically superior all because of our excellent R&D department. We have several reliable and technically advanced facilities that enable us to regularly supply our products in various nations. Furthermore, we are growing with the efforts of our team of 200 people, which includes a talented marketing team in India and abroad.
