

DIESEL RESISTANCE TUBE

Delighting Customers With Authentic Products

Diesel Resistance Tube, Dual Wall Heat Shrink Sleeves, Electronic Wires, Heat Shrink Insulation Connectors, Heat Shrinkable Tapes, Military Identification Sleeves, Nylon Expandable Sleeves, PTFE Tubing, Power - Computer Cords, Proximity Sensors, Single Wall Heat Shrink Sleeves, WEPDM Sleeves, etc.

SINGLE WALL HEAT SHRINK SLEEVES

DUAL WALL HEAT SHRINK SLEEVES

HEAT SHRINK INSULATION CONNECTORS

About Us

Founded in 2010, UNITECH Inc was established with a clear vision: to deliver engineering excellence and innovative industrial solutions that go beyond standard product offerings. Unlike typical distributors, we are a team of engineers who combine technical expertise with a commitment to quality, ensuring that our clients receive not just products, but practical solutions to complex challenges. From our manufacturer and supplier company one can avail products Proximity Sensors, Single Wall Heat Shrink Sleeves, Power-Computer Cords and Electronic Wires.

Over the years, UNITECH Inc has expanded its presence across India, serving a wide range of industries in both the private and public sectors. Our hands-on approach, coupled with deep industry knowledge, allows us to understand client requirements thoroughly and provide solutions that are precise, reliable, and efficient. We focus on building long-term relationships by offering consistent support, timely delivery, and customized solutions tailored to unique operational needs. With innovation, professionalism, and technical proficiency at the core of our operations, we continue to set benchmarks in industrial engineering services.
