## About Us

If you are looking for well designed, light weight, affordable and easy-to-install PVC Flexible Sheet, PVC Strip Curtain, and other products like Super Clear PVC Film, approach our company Monoplast with complete confidence. We are a genuine seller of these products from India. As an industry leading yet client centric manufacturer, we have cost-effective deals for everyone on budget. Many of our buyers are renowned commercial and industrial players who rely only on our expertise for buying these aforesaid products

Each of our hired professionals are sincere and hardworking. We put great focus on recruiting the best procurement agents whose job is to source optimum quality goods at fair rates from our vendors. In addition to these sourcing agents, we have engineers, quality testers, R&D experts, administrative staff, sales personnel and others in our large team. We also have many semi-skilled workers for executing routine tasks that are labour-intensive but do not require specialized skills.

We not just embrace the latest technological developments for creating products like Super Clear PVC Film and PVC Strip Curtain but also adopt rigid quality checking standards. This helps us stay quality-centric and deliver consistent quality products that deliver maximum value to our buyers.
